Fire District 1

<u>Mission</u>: To serve the public by protecting life and property, minimizing the impact of fire, and rapidly responding to medical emergencies, potential disasters or uncontrolled events that adversely affect the community and environment.

Tavis D. Leake Fire Chief

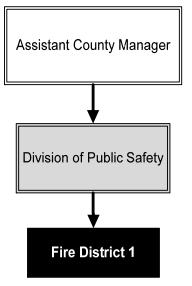

7750 Wild West Drive Park City, KS 67147 316.660.3490 tavis.leake@sedgwick.gov

Overview

Fire District 1 is comprised of nine fire stations staffed 24 hours per day and located throughout Sedgwick County. The District includes a response area of 631 square miles and approximately 85,000 residents.

A firefighter's primary responsibility in Sedgwick County is to rescue individuals from burning or collapsing structures and provide medical first response. Firefighters also respond to Hazmat spills and conduct water, high angle and confined space rescue operations.

The District's Prevention Division is responsible for fire investigations, inspections, plan reviews and public education.

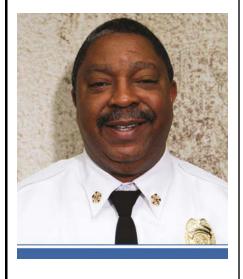

Strategic Goals:

- Maintain a well-trained workforce that adheres to safety procedures
- Respond rapidly and accurately to all types of emergencies, including fire suppression, rescue, medical and hazardous materials incidents
- Reduce the value of property loss to fire and fire-related damage

Highlights

- Responded to 7,843 fire and

 rescue and medical calls during 2013
- Opened a new Fire Station 36 in 2013 to serve southeast Sedgwick County and a new Fire Station 34 in 2014 to serve the City of Haysville
- Replaced two Battalion Response Vehicles and two Rescue Squads as part of an equipment replacement plan; the District purchased the chassis and components for the equipment, and District mechanics completed installation at a cost savings of approximately 20 percent

Accomplishments and Priorities

Accomplishments

Several notable accomplishments have occurred in Fire District 1. First, the Fire District adopted the 2012 International Fire Code with amendments. The 2012 Code is an up-to-date fire code that addresses conditions hazardous to life and property from fire, explosion, or the handling or use of hazardous materials, as well as the use and occupancy of buildings and premises.

Sedgwick County Fire District 1 also received recognition for its Wellness Program. The *Wichita Business Journal* award was presented to Fire District 1 as a "healthiest employer" in 2013. Organizations that value health and fitness and build an organizational culture that includes health and fitness were considered for the award.

Priorities

The Fire District continues to focus on striving for excellence in both emergency and non-emergency service situations and carrying out its mission in the most effective and efficient manner possible.

Social equity also remains a priority. The Fire District will respond to emergencies in a timely manner no matter the gender, race, national origin, age or religious preference of the population being served. Fire safety information remains readily available on the District's webpage in an attempt to inform a broad spectrum of citizens about fire prevention and safety techniques that can be used if fires occur.

Significant Budget Adjustments

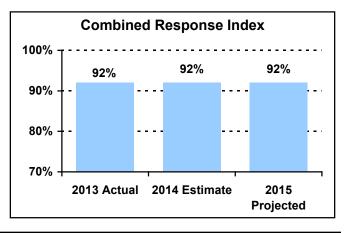

Changes to the Fire District's 2015 adopted budget include 6.0 FTE Firefighter positions being held vacant.

PERFORMANCE MEASURE HIGHLIGHTS

The following chart illustrates the Key Performance Indicator (KPI) of Fire District 1.

Suburban and Rural Response Indicators -

• Combined index score from Room of Origin, Urban, Suburban and Rural indicators.

• Fire District Administration

Fire Administration provides command and control for all Fire District services and programs. Staff is also responsible for conducting program reviews, steering organizational development and direction, and monitoring performance. The administrative offices of Fire District 1 are located adjacent to Station 32, which also serves as the training center for the Fire District. This cost center houses the flexible staffers that rove from station to station when there is a shortage of staff due to sickness, vacation, or training. While the flex staffers each have a home station to which they report to get their daily assignments, budget allocation for these positions resides in the Administrative cost center.

• Fire Shared Maintenance

In 2002, an agreement with the City of Wichita Fire Department to share fire vehicle maintenance operations ended and all work on Sedgwick County fire vehicles moved to the Sedgwick County Department of Fleet Management. Staff costs and some supplies and repair parts remain in the Fire District's budget within Maintenance.

Fire Prevention

Fire Prevention establishes policies and procedures for interpreting and enforcing building and fire codes, fire safety evaluations of all buildings, public education, and investigation of incendiary or suspicious fire causes. This program also participates in the apprehension and prosecution of individuals suspected of arson.

• Fire Station 32

Fire Station 32, located at 7750 Wild West Drive, provides fire suppression and medical response services to the city of Park City and north central and northeast Sedgwick County. In addition, employees at this station are trained to respond to incidents involving hazardous materials and "technical response" activities. Technical response includes situations involving high angles, confined space, swift water, scuba, and building collapse emergencies. Station 32 is also home to the Office of the Fire Chief, Fire Marshall and other management personnel. The salaries and other costs of management personnel are allocated to their respective programs, and only those resources devoted to fire suppression and medical response are presented as part of the Fire Station 32 Fund Center.

• Fire Research and Development

The Research and Development Fund Center accounts for donations from the public to purchase special equipment, explore new technologies in the fire service industry and attend trainings. A long-standing private donation ended in 2012, which had been the source of funding for a part-time research position. The part-time position was funded until the Research and Development Fund Center fund balance was exhausted.
