NEW BUSINESS

A. RELEASE OF LIABILITY WITH VIA CHRISTI REGIONAL MEDICAL CENTER, INC. TO USE A BUILDING AT 925 NORTH EMPORIA, WICHITA, FOR TRAINING PURPOSES.

Fire Marshall Greg Thompson, Fire District #1, greeted the Commissioners and said, "What we have before you this morning is a release of liability to allow us to use a facility that Via Christi is in the process of going to be able to demolish here in the near future. This will allow us to take our recruit firefighters, we currently have a class of five recruits now and we can use that facility for forcible entry and get some real world training to where if we tear up some doors and break out some windows and things like that, it's not going to cause a problem. We'd ask you to approve the release and authorize the Chair to sign."

MOTION

Commissioner Norton moved to approve the Release of Liability.

Commissioner Burtnett seconded the motion.

Chairman Unruh said, "Thank you. One question, do we have a facility like this now, or is this kind of an addition to our training capability?"

Fire Marshall Thompson said, "No, this is just in addition to our training capabilities. This lets us go in . . . they have the large building, several office areas. It gives us an ability to train in an area that we don't often get."

Chairman Unruh said, "Okay, very good. Is there any other question or discussion? If not, Madam Clerk, call the vote."
