	Schaefer Johnson Cox Frey Architecture
Schematic design, construction documents and contract administration for renovations to 271 W. 3rd St. N., Wichita, KS	not to exceed \$329,772.00

On the recommendation of Joe Thomas, on behalf of the Facilities Department, Linda Kizzire moved to **accept the proposal from Schaefer Johnson Cox Frey Architecture for a not to exceed amount of \$329,772.00.** Tim Kaufman seconded the motion. The motion passed unanimously.

This proposal provides for complete design services for the renovation of the existing building at 271 W. 3rd St. N., Wichita, KS. Schaefer Johnson Cox Frey Architecture has already completed a program to address the needs of the various departments that will occupy this future location (Metropolitan Area Building and Construction Department, Metropolitan Area Planning Department, Tag Office, Appraiser's Office, Environmental Resources and the Professional Standards Unit for the Sheriff's Office).

Already having completed cursory structural, mechanical and electrical evaluations of the building and being familiar with the County's needs, Schaefer Johnson Cox Frey Architecture has been chosen to complete schematic designs through construction documents and contract administration for the renovation of floors 1-6, a revised 3rd St. entrance, parking lot, sidewalk repairs and reconfiguration.

Their services include architectural, mechanical and electrical drawings and specifications as required for a complete bid package.

Schaefer Johnson Cox Frey Architecture is one of our on-call architectural & engineering service firms.

Question: How does the cost quoted compare to similar work? Steve Claassen from Facility Maintenance Services stated that the proposal submitted by Schaefer Johnson Cox Frey Architecture is 45% below what was originally budgeted for this project.
