*MSRP - Manufacturer's Suggested Retail Price

On the recommendation of Kimberly Evans, on behalf of Fleet Management, David Spears moved to **accept the low responsive proposal from The G. W. Van Keppel Company (Option 1) in the amount of \$219,500.00 and establish contract pricing for labor, parts and freight for three (3) years.** Linda Kizzire seconded the motion. The motion passed unanimously.

A committee comprised of Bob Kraus, Jon Medlam and Don Gorges - Public Works; Penny Poland and Rex Victory - Fleet Management, and Gunda Angelica - Purchasing reviewed and evaluated submitted proposals based on specifications and price. The G.W. Van Keppel Company (Option 2) did not meet specifications.

These are replacement vehicles for Public Works; surplus will be sold on Purple Wave, Inc.

Notes:

The G.W. Van Keppel Company (Option 2) did not meet the following specifications: ride control, arm/stick length, lube system, and mounted outriggers.

BOARD OF BIDS AND CONTRACTS JUNE 4, 2015

**2. SB-2 AGGREGATE -- PUBLIC WORKS
FUNDING -- R175 PREVENTIVE MX-15**

(Request sent to 20 vendors)

RFB #15-0055 SC #8000064100

	Qty.	Cornejo & Sons, LLC	
		Price per Ton	Extended Price
SB-2 Aggregate	1,000 Tons	\$19.50	\$19,500.00
Location of plant	3300 S. Hydraulic St., Wichita		
Date available for pickup	immediately		
No Bid	Bingham Sand		
	Trinity Industries		

On the recommendation of Kristen McGovern, on behalf of Public Works, Linda Kizzire moved to **accept the bid from Cornejo & Sons, LLC for an initial purchase of \$19,500.00 and establish contract pricing for one (1) year with two (2) one (1) year options to renew.** David Spears seconded the motion. The motion passed unanimously.

SB-2 Aggregate is a special type of aggregate that is put under pre-cast boxes for drainage; it provides more stability than regular gravel. Bingham Sand and Trinity Industries did not provide bids because they do not manufacture this type of aggregate.

Question: Is Cornejo and Sons, LLC the only company that manufactures this type of aggregate? David Spears with Public Works answered that he didn't have the answer to that question.

**3. 2015 COLD MIX RECYCLING (R175-D) -- PUBLIC WORKS
FUNDING -- R175 PREVENTIVE MX-15**

(Sole Source)

RFB #15-0058 SC #8000065202

Engineer's Estimate: \$256,200.00	Coughlin Company I, Inc.
Cold Mix Recycling	\$230,412.00
Bid bond	Yes

On the recommendation of Kristen McGovern, on behalf of Public Works, David Spears moved to **accept the bid from Coughlin Company I, Inc. in the amount of \$230,412.00.** Linda Kizzire seconded the motion. The motion passed unanimously.

This pavement preservation process is new to the county and requires specialized equipment, materials and knowledge. As a result, there are a limited number of vendors in the country who can perform this process.

Question: Is this for a specific section of road? David Spears with Public Works answered that the cold mix recycling process will be used on approximately two miles of 55th Street South by K-42. This process will buy time and save money by delaying the need for Super Seal, which totally replaces roads in need of maintenance. This process will utilize asphalt chips from the county yards that have been saved over the years, recycling them.
