

## **Program Information**

Wichita Area Technical College (WATC) is dedicated to serving business and industry in south-central Kansas through the delivery of a comprehensive portfolio of programs and services. WATC faculty and staff strive to develop a highly trained workforce that gives Kansas employers a competitive advantage. WATC is committed to providing the training that is needed – where it is needed, when it is needed.

In August 2004, after the Legislature passed a bill that separated WATC from Unified School District 259, the Board of County Commissioners passed a resolution creating the Sedgwick County Technical Education & Training Authority (SCTETA). The purpose of the Authority is to be a broker/overseer of technical training that fits the needs of businesses and at the same time serve as the Board of Directors for Wichita Area Technical College. WATC is the managing partner of Sedgwick County's National Center for Aviation Training (NCAT) at Jabara Airport: a world-class facility dedicated to educating students to work in high-paying aviation and manufacturing jobs. The first phase of construction was completed summer 2009 and the second phase should be finished and ready for students by fall 2010.

## **Budget Adjustments**

The WATC 2011 budget reflects the County's continued support of \$1 million for WATC operations. In addition, the County continues to pay debt service on the bonds issued for construction of the NCAT facility. This debt is reflected in the Bond Interest section of this book.
