Accomplishments and Priorities

Accomplishments

In 2015, the Housing Division was consolidated with Sedgwick County Division on Aging and was able to reduce administrative costs while continuing to provide quality services.

In 2015, there were six families receiving services that increased their income and no longer needed assistance. One of the six families stated they no longer needed services as they planned to purchase a home

New marketing strategies were implemented by utilizing computer generated calls to recipients, outreach to local and reginal nonprofit groups, and digital media.

Priorities

For 2017, the priority for Section 8 rental assistance program will be to maximize its current resources and assigned rental assistance vouchers. Sedgwick County Housing Authority will work with community partners to help families attain self-sufficiency. By referring families to community programs that promote self-sufficiency, the cost per rental unit will decrease and maximize funding.

Significant Budget Adjustments

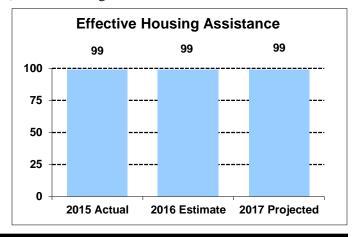

Significant adjustments to the Division on Aging—Housing's 2017 budget include the shift of 1.0 FTE from the General Fund to grant funds.
