For Immediate Release, November 2, 2016

**Wichita, Kansas** – With the closing this week of Heritage College in Wichita, the Consumer Protection Division of the District Attorney's Office advises Heritage students to act quickly as some decisions are time sensitive. Students may want to contact the Kansas Board of Regents [www.kansasregents.org](http://www.kansasregents.org) which will have the most current information.

If students have private loans they will need to contact those individual service providers.
