For Immediate Release, October 23, 2015

**WICHITA, KAN.** – The District Attorney is reminding local businesses to be on the lookout for fraudulent credit cards. With the holiday season approaching, merchants should confirm that not only proper identification is given, especially on big ticket items and gift card purchases, but also double check receipts to confirm that the account information printed on the receipts matches the physical card being presented to cashiers.

Local businesses have contacted law enforcement regarding altered cards being used around Wichita and Kansas.
