# **Accomplishments and Strategic Results**

## **Accomplishments**

The Sedgwick County Crime Prevention Fund has been managed by the Department of Corrections since January 1, 2018. The Department of Corrections contracts with Wichita State University for an annual independent program evaluation of the funded programs.

Crime Prevention providers receive increased contact with the professional evaluator, evidence-based practice training, and continual monitoring with recommended corrective actions when needed.

### **Strategic Results**

Based on ongoing work with the professional evaluator, grant funds will continue to be directed to programming that achieves the greatest crime prevention impact. In the upcoming year, the Department anticipates focusing additional attention on redefining outcome measures, improving family engagement, and incorporating positive youth development techniques in programming.
