# **Accomplishments and Strategic Results**

## Accomplishments

Throughout the year, the Sheriff's Office responded to several acts of civil unrest and protest following national events. Working with citizens and other area law enforcements agencies, most events resulted in no damage to property and few arrests.

In October 2020, the Sheriff's Office received a grant for the new wellness program. A wellness coordinator position had previously been developed and will help guide the grant and launch of the wellness program. One piece of the program was the development of a wellness app, which puts resources and information into the hands of Sheriff's Office employees and other first responders.

In December 2020, the Sheriff's Office worked with the District Attorney's Office, District Court, and Pretrial Services to implement a risk assessment tool for those arrested on new felony crimes. Newly arrested inmates will be interviewed and assessed by detention staff in order to provide a tool to assist the District Courts in setting new bonds and determining if an arrestee can be released.

## **Strategic Results**

The Sheriff's Office completed their 2017-2020 comprehensive four-year strategic plan and have partnered with Wichita State University to build the next four-year plan to continue to provide the visionary roadmap for the direction of the Sheriff's Office and its 556 employees. The Sheriff's Office strategic plan supported the Mission Statement and the first priority of Sedgwick County, providing safe and security communities. The Sheriff's Office four-year goals were divided into four categories: cultivating a quality workforce, enhancing and integrating technology/equipment, strengthening communication, and addressing crime through innovative methods. Many of the goals developed in this plan were accomplished.

Highlights of the four-year plan include: supervisor training, increased staffing in Judicial Services and Records, selection of a new Records Management System (RMS) and Jail Management System (JMS), implementation of a technology review and replacement plan, implementation of a tablet program for inmates, establishment of a drone program, increased technology for lab services, addition of a Public Information Officer position, and addition of a Victim Advocate position.

## Adult Detention Facility

At 1,226 beds, the Adult Detention Facility (ADF) is the largest jail in Kansas. The ADF is the only such facility in Sedgwick County and holds pretrial and committed inmates for cities, the State of Kansas, and all Federal agencies. To avoid overcrowding, the Sheriff contracts with other Kansas Sheriffs to house inmates for Sedgwick County. These costs are reflected under the Out of County Housing program. Inmate medical services also are not directly included in the budget for the ADF, but are placed under their own budgeted program. The Sheriff's Office is a member of the Criminal Justice Coordinating Council (CJCC), whose goal is to reduce the number of inmates that have to be kept in custody.

## • Out of County Housing

The current ADF capacity of 1,226 general and special purpose beds does not have enough capacity to house all of the individuals placed in the Sheriff's custody. To avoid overcrowding, the Sheriff contracts with other Sheriff's Offices throughout the State to house inmates; approximately 200 inmates on average are housed outside Sedgwick County daily. In these instances where out of county housing is necessary, the Sheriff's Office also assumes responsibility for transporting these individuals back to Sedgwick County for all necessary court appearances or release.

## Inmate Medical Services

While an individual is in the custody of the Sheriff, Sedgwick County is held responsible for providing access to reasonable and necessary medical, mental health, and dental care, including medications. Sedgwick County contracts with a qualified provider for these services. The operation of a 24-hour-a-day, seven-days-a-week medical clinic inside the ADF is included in the medical services contract. Medical needs and costs of inmates housed in outside counties remain the responsibility of Sedgwick County and are also covered under the medical services contract.

### Federal Asset

Federal Asset Forfeiture represents resources acquired through the final disposition of assets seized through drug enforcement activities by the Federal government. When assets are sold or otherwise disposed of, the Sheriff's Office receives a portion of the proceeds from cases that it provided assistance for, whether directly or by providing information resulting in a seizure. These funds are provided through the U.S. Department of Justice and can be used only to supplement certain law enforcement activities as set out under Federal guidelines.

### • Donations

Throughout the year the Sheriff's Office receives donations from private citizens and local businesses. Some donations do not have specific instructions on how to use the funds, while some are made for a particular use. This funding is managed at the discretion of the Sheriff's Office. Examples of the uses of these funds are: K-9 unit operations (vet bills and training aids) and youth program support (Drug Abuse Resistance Education, D.A.R.E.).

## Concealed Carry Grant

Effective July 2008, the State of Kansas amended the act under which persons may apply and receive a permit to carry a concealed weapon. One of the changes provided that such revenues collected by the Sheriff would no longer be deposited into the County's General Fund. The revenue must be deposited into a special fund restricted solely for law enforcement and criminal prosecution purposes. The Sheriff has pledged to use these funds to reimburse the costs of the Offender Registration Unit, as this unit provides the non-custodial fingerprinting services that are provided by the Sheriff's Office, which includes the concealed carry weapons licenses.

## State Drug Tax

Drug tax stamp revenue is a statutory "tax" assessed against the value of illicit drugs when illegally possessed and sold. The offender is charged with a "tax" and receives a decal stamp(s) showing taxes for the drug have been paid. These funds are provided through the U.S. Department of Justice and can be used only to supplement certain law enforcement activities as set out under Federal guidelines.
