- During the month of May, Sedgwick County Developmental Disability Organization (SCDDO) Quality Assurance Staff completed 10 day and 8 residential program visits.
- Peter Daniels, SCDDO Special Projects Coordinator, and Jeannette Livingston, SCDDO Assistant Director, attended the South Central Kansas Employment First Summit May 3rd. The summit is an opportunity for professionals, employers, job coaches, family/caregivers and people with disabilities to raise awareness and increase opportunities for sustainable, competitive, integrated employment for people with disabilities. Peter also represented the Sedgwick County Business Leadership at the event.
- As part of the SCDDO's capacity development initiatives a video was created to promote direct support work as a rewarding career opportunity under the tagline of "Career of Caring." This initial effort will be fully developed through a contract with an advertising company. In May, proposals were reviewed and Nye & Associates was selected to fully develop a direct support professional media and marketing campaign. The goal of the campaign is to raise awareness in the community of the important work done by direct support professionals and inspire quality candidates to apply for vacant positions. SCDDO will dedicate a page on our website where interested candidates can link to open positions with affiliates.
