<b>2016</b>	155	154	128	127	139	149	157	217	121	348	187	187

- During the month of July, Sedgwick County Developmental Disability Organization (SCDDO) Quality Assurance Staff completed 9 day and 10 residential program visits.
- In July the Behavioral Health Advisory Board held a “Meet and Mingle” event for IDD and Behavioral Health case managers, along with their managed care organization (MCO) counterparts. The goal of this event was to bring together the groups and offer an opportunity to develop cross-system relationships and learn about each other’s role. More than 40 individuals attended the event, and the feedback offered showed attendees would very much like for these events to occur again in the future. The Behavioral Health Advisory Workgroup continues their work to develop systems where individuals with intellectual/developmental disabilities and co-occurring mental health concerns can live and succeed in our community.
- During the month of July the Wichita Area Metropolitan Planning Organization (WAMPO) sought public input on the Human Services Transportation Plan, aka “coordinated plan.” This coordinated plan identifies the transportation needs of individuals with disabilities, seniors and people with low incomes. Tricia Thomas, WAMPO Communications Manager, presented at the Sedgwick County Affiliate Directors meeting

and Community Council. From the information gathered, WAMPO will make recommendations for changes or corrections to the current goals and strategies.

- The Sedgwick County Business Leadership Network (BLN) hosted a lunch and learn on tax credits July 31st. The interactive training focused on the fundamentals of the Work Opportunity Tax Credit (WOTC). Participants learned who qualifies for a WOTC, what the benefits are for business and how to apply.
