## Executive Summary

At the end of each quarter, the Division of Finance reports on Sedgwick County's financial condition. The following quarterly financial report provides an analysis of the first half of 2022, ending June 30,2022 . The information contained in this report is based on unaudited financial statements and excludes adjustments that may be required by the County's auditors at a later date.

The first section of the report outlines financial information on a budgetary basis for applicable fund types, including comparisons of financial activities with the previous fiscal year and the adopted and revised budgets. The second section of the report outlines the financial status of active capital projects. The final section consists of fund statements which provide a broad overview of the County's finances in a manner similar to a private-sector business based on Generally Accepted Accounting Principles (GAAP).

When reporting financial status, the County typically aggregates information into one of several possible groupings: the General Fund, property-tax-supported funds, other operating funds, or all operating funds. The General Fund is the County's primary operating fund and accounts for County services that do not have a designated fund of their own. The General Fund includes most general government and law enforcement functions and receives the broadest variety of revenues. Currently, the operations of 46 departments are funded from the General Fund. The County has four other property-taxsupported funds, including Bond \& Interest, Aging, Highway, and Wichita State University. Each fund provides services related to a specific function and the property taxes levied in each fund are used only to support those specific functions. References to 'property-tax-supported funds' mean the General Fund plus all other property-tax-supported funds. The County has 31 budgeted other operating funds which are not supported directly with property taxes, including grant funds, enterprise funds and internal service funds. References to 'operating funds' mean the property-taxsupported funds plus the other operating funds. Sedgwick County Fire District 1 is a distinct governmental entity that is operated as a part of Sedgwick County government and levies property taxes, but it is reported separately.

The 2022 revised Sedgwick County budget of $\$ 548.4$ million follows an exceptional and unprecedented year where the focus of the organization was on response to
the coronavirus disease (COVID-19) pandemic. The 2021 budget was adjusted to address the economic impacts while maintaining a prudent fund balance and preserving service levels, which included a prohibition on non-essential spending, furloughs and hiring delays, and no compensation adjustment for employees.

For the 2022 budget, the focus was on appropriate compensation for employees throughout the organization. In 2019, the Sedgwick County Division of Human Resources began a study of the County's compensation plan. Objectives were to identify modifications to the current plan based on internal equity within the organization and the organization's market placement in comparison to other similar sized communities. The work from this study will be implemented through a multi-year plan, beginning with the reclassification of 1,637 positions in 2022 in addition to a mid-year pay adjustment for current employees.

This quarterly report provides an analysis of financial trends through the first half of 2022 compared to the same time period in 2021. Increased revenues over the first half of 2022 were recorded in several categories, including current property taxes, retail sales and use tax, licenses and permits, and charges for services. Decreased expenditures were recorded in contractuals, equipment, commodities, personnel, transfers out, debt service, and capital improvements. These changes are explained within this report.

Overall, the financial report illustrates continued modest improvement for County property-tax-supported funds compared to 2021.

- Revenues totaled $\mathbf{\$ 2 0 9 . 2}$ million for County property-tax-supported funds (excluding Fire District 1). This represents an increase of $\$ 4.5$ million ( 2.2 percent) compared to the first half of 2021.
- Expenditures totaled $\$ \mathbf{\$ 1 2 1 . 8}$ million for County property-tax-supported funds (excluding Fire District 1). This represents a decrease of $\$ 11.3$ million ( 8.5 percent) compared to the first half of 2021.
- For all County property-tax-supported funds (excluding Fire District 1), ending balances are projected to decrease by $\$ 5.3$ million. The year-end General Fund balance is anticipated to decrease by $\$ 7.9$ million ( 8.6 percent), primarily due to an additional pay period in 2022 as well as an increase in transfers to other funds as a result of increased expenditures in Risk Management.

For more detail on each individual fund, please review the individual "schedules of budgetary accounts" section following the executive summary.

## Revenue Highlights:

Revenue collections for all operating funds through the first half of 2022 increased 1.0 percent ( $\$ 3.5$ million) compared to the same timeframe last year. In County property-tax-supported funds, collections increased $\$ 4.5$ million ( 2.2 percent) compared to the first half of 2021.

## Year-to-date (YTD) Revenue by Fund Type

County property-tax-supported funds revenue collections increased $\$ 4.5$ million ( 2.2 percent) compared to the first half of 2021. The most significant increases occurred in current property taxes ( $\$ 5.2$ million), retail sales and use taxes ( $\$ 2.4$ million), licenses and permits ( $\$ 0.6$ million), and charges for services ( $\$ 0.3$ million). The increase in current property taxes is due to an increase in assessed valuation of 3.6 percent for the current budget year ( $\$ 5.2$ million). The increase in retail sales and use taxes (\$2.4 million) is due to improving economic conditions, though Finance staff are actively monitoring the economy, as conditions could be changing due to near historic levels of inflation. The increase in licenses and permits ( $\$ 0.6$ million) is due to an increase in the number of plans submitted and project valuation with the Metropolitan Area Building and Construction Department (MABCD). The increase in charges for services is mainly due to an increase in fees collected by Emergency Medical Services (EMS) in insurance fees ( $\$ 0.5$ million), patient fees ( $\$ 0.2$ million), and Medicaid fees ( $\$ 0.1$ million), which were partially offset by a decrease in officer fees collected by the Register of Deeds ( $\$ 0.6$ million).

The increases are partially offset by decreases in reimbursements ( $\$ 1.5$ million), back taxes ( $\$ 0.8$ million), motor vehicle taxes ( $\$ 0.6$ million), uses of money and property ( $\$ 0.6$ million), and intergovernmental revenue ( $\$ 0.3$ million). The decrease in reimbursements is due to a decrease in administrative charges due to the consolidation of the EMS, COMCARE, and Noxious Weeds Tax Funds into the

General Fund in 2022 ( $\$ 0.8$ million), a one-time claim recovery for a fire in the main courthouse in January of 2020 received in April of 2021 ( $\$ 0.5$ million), and the reimbursement of salaries from Wichita State University for interns in the County Manager's office ( $\$ 0.2$ million) in 2021 compared with no reimbursement at this time in 2022. The decrease in back taxes is primarily due to refunds of previously paid property taxes as a result of valuation appeals ( $\$ 0.8$ million). The decrease in motor vehicle taxes is due to fewer transactions and a decrease in new vehicle registrations due to availability ( $\$ 0.6$ million). The decrease in uses of money and property is due to a reduction in penalties and interest on back taxes ( $\$ 0.6$ million) and the decrease in intergovernmental revenue is due to the receipt of Federal Emergency Protective Measure Act (FEMA) revenue received in April of 2021 ( $\$ 0.6$ million).

Fire District 1 revenue comes primarily from property taxes. Through the first half of 2022, revenue collections decreased $\$ 0.1$ million when compared to the first half of 2021.

All other operating funds include grants, enterprise and internal service funds, and non-property tax special revenue funds. Through the first half of 2022, all other operating revenues decreased $\$ 1.9$ million ( 1.7 percent) compared to the first half of 2021. The most significant decreases occurred in intergovernmental revenue in non-property-tax special revenue funds ( $\$ 2.6$ million), charges for services in grants ( $\$ 0.3$ million), and miscellaneous revenue in enterprise funds ( $\$ 0.2$ million). The decrease in non-property-tax special revenue funds is primarily due to the end of the Court Trustee program contract in the District Court, resulting in no payments in 2022 ( $\$ 2.6$ million). The decrease in charges for services in grants is primarily due to a delay in Medicaid payments made to COMCARE under the new Certified Community Behavioral Health Clinic (CCBHC) billing structure ( $\$ 0.7$ million) and the decrease in miscellaneous revenue in enterprise funds is due to refund of unused Capital Improvement Program (CIP) funding at INTRUST Bank Arena ( $\$ 0.2$ million).

The decreases were partially offset by increases in intergovernmental revenue in grants ( $\$ 1.0$ million) and other revenue in enterprise funds ( $\$ 1.1$ million). The increase in intergovernmental revenue in grants is due to payments made to COMCARE for the administration of the Integrated Care Team (ICT-1) program under the new CCBHC funding structure ( $\$ 1.1$ million). The increase in other revenue in enterprise funds is due to the receipt of the Shuttered Venue Operating Grant (SVOG)
( $\$ 1.1$ million) due to the loss of revenue for the INTRUST Bank Arena due to COVID-19.

## Key Revenues - Property-Tax-Supported Funds

Current property tax collections through the first half of 2022 increased $\$ 5.2$ million ( 3.6 percent) when compared to the same time period in 2021. The County's assessed valuation grew about 3.6 percent for the 2022 budget year.

Retail sales and use tax collections increased \$2.4 million ( 14.7 percent), compared to the first half of 2021. Collections in all six months in 2022 exceeded collections in the same months in 2021.

Motor vehicle tax collections are allocated to each fund with a property tax levy in proportion to the property tax levied during the previous year's budget. Revenue from this source decreased $\$ 0.6$ million ( 8.9 percent), compared to the first half of 2021. Details about this revenue source are shown in the graph below.

Medical charges are primarily collected for the operation of EMS. Through the first half of 2022, collections increased $\$ 0.8$ million ( 14.0 percent) when compared to the same timeframe in 2021. The increase is largely attributable to an increase in insurance fees ( $\$ 0.5$ million), patient fees ( 0.2 million), and Medicaid fees ( $\$ 0.1$ million) collected on behalf of EMS.

MABCD licenses and permits revenue increased by $\$ 0.6$ million ( 14.0 percent) compared to the first half of 2021 as a result of an increase in the number of plans submitted and project valuation.

Officer fees decreased $\$ 0.6$ million ( 14.0 percent) compared to the first half of 2021 as refinancing of mortgages slowed. Officer fees are a per-page filing fee for documents recorded by the Register of Deeds Office. The fees vary based on the type and length of document being filed.

Investment income is required by State law to be deposited in the General Fund unless otherwise directed by statute to deposit earnings in a specific fund, such as the Register of Deeds Technology Fund. In some categories, relatively small increases in the amount can result in large percentage changes. Through the first half of 2022, investment income increased $\$ 0.4$ million ( 123.5 percent), versus the same period of time in 2021, the result of Federal interest rates beginning to increase following a dramatic rise in inflation rates.

All other revenue collections decreased $\$ 3.8$ million ( 23.0 percent) compared to the first half of 2021.

## Expenditure Highlights:

Total expenditures for all operating funds decreased $\$ 14.7$ million ( 6.4 percent) compared to the first half of 2021. For all County property-tax-supported funds, expenditures decreased $\$ 11.3$ million ( 8.5 percent). Decreases were recorded in contractuals ( $\$ 9.5$ million), equipment ( $\$ 0.5$ million), commodities ( $\$ 0.4$ million), personnel ( $\$ 0.3$ million), transfers out ( $\$ 0.3$ million), debt service ( $\$ 0.2$ million), and capital improvements (\$10,333).

## Year-to-date (YTD) Expenditures by Fund Type

County property-tax-supported funds' expenditures decreased $\$ 11.3$ million ( 8.5 percent) compared to the first half of 2021.

Fire District 1 expenditures increased $\$ 0.4$ million (4.1 percent) compared to the first half of 2021.

All other operating funds' expenditures decreased $\$ 10.7$ million ( 12.8 percent) compared to the first half of 2021.

## Key Expenditures - Property-Tax-Supported Funds

Personnel decreased $\$ 0.3$ million ( 0.5 percent) compared to the first half of 2021, due to the elimination of COVID-19 funding for positions in the County General Fund in 2022.

Contractual expenditures decreased $\$ 9.5$ million (20.6 percent) compared to the same time period in 2021. The decrease is primarily due to decreases in temporary employment services ( $\$ 5.9$ million) mostly by the Division of Finance due to COVID-19 staffing in 2021, in grant awards ( $\$ 1.9$ million) mostly to the Sedgwick County Zoo due to the final payment of the Phase I funding agreement made in 2021, in management services ( $\$ 1.6$ million) mostly by the MABCD due to the timing of payments made to the City of Wichita, and in other professional services ( $\$ 0.1$ million) mostly by the Division of Finance due to a shopping cart and expenses related to COVID-19. Shopping carts are used throughout the County's purchasing system, which
allows users to commit the amount of budget authority needed to cover the annual cost of a product or a service at any point during the year.

Debt payments decreased $\$ 0.2$ million (11.7 percent) compared to the first half of 2021 due to no new interest being paid as a result of no new bond issuances.

Commodities expenditures decreased $\$ 0.4$ million ( 7.9 percent) compared to the first half of 2021. The decrease is due to decreases in other equipment ( $\$ 0.2$ million) mostly by the Division of Finance due to a shopping cart and expenses related to COVID-19, in office supplies ( $\$ 0.1$ million) mostly by Central Services due to paper purchases in 2021, and in medical supplies ( $\$ 0.1$ million) mostly by the Division of Finance due to expenses related to COVID-19.

Capital Improvement expenditures decreased a nominal amount, $\$ 10,333$ ( 9.2 percent) primarily due to a decrease in design/architectural engineering (\$0.1 million) by the Division of Finance for the Main Courthouse first floor Traffic Court remodel design plan in 2021, which was offset by an increase in moving expenses ( $\$ 0.1$ million) by the Division of Finance due to a shopping cart for expenses related to relocating several departments.

Equipment expenditures are represented in the capital outlay category. Equipment expenditures decreased by $\$ 0.5$ million ( 62.3 percent) compared to the first half of 2021. The decrease is due to a decrease in operating equipment ( $\$ 0.9$ million) by the Sheriff's Office due to a shopping cart for radios in 2021, which was offset by increases in technology hardware ( $\$ 0.3$ million) mostly by Emergency Communications due to a shopping cart for radios and in vehicles ( $\$ 0.1$ million) due to the timing of funds encumbered by the Department on Aging in 2021.

Transfers to other funds decreased $\$ 0.3$ million ( 3.5 percent) compared to the first half of 2021. The decrease is due to decreases in transfers out - capital projects ( $\$ 1.4$ million) due to the timing of transfers for capital projects in 2022 compared to 2021, and transfers out - operating ( $\$ 0.2$ million) by Storm Drainage for a Capital Improvement Program (CIP) project, which were offset by an increase in transfers out - sales tax revenue ( $\$ 1.2$ million) by Highways due to an increase in the amount of sales tax generated through June 2022 compared to the same timeframe in 2021.

## Year-End Fund Balance:

General Fund: Expenditures are estimated to exceed revenues by $\$ 7.9$ million at year-end, primarily due to an additional pay period in 2022 as well as an increase in transfers to other funds as a result of increased expenditures in Risk Management. This was a planned use of fund balance as part of the 2022 budget.

Debt Service Funds: Expenditures from debt service funds are estimated to be $\$ 0.9$ million less than revenues. The decrease is due to no new interest being paid as a result of no new bond issuances.

Special Revenue Funds-Property Tax Supported: These funds are expected to increase by $\$ 1.7$ million by year-end, primarily due to a projected increase in current property taxes in the Highway Tax Fund, as well as a decrease in personnel costs due to turnover.

Fire District 1: The fund balance is estimated to decrease by $\$ 19,107$ by the end of the year, primarily due to an increase in personnel due to an additional pay period in 2022.

Special Revenue Funds-Non Property Tax Supported: These funds are estimated to increase by $\$ 3.0$ million. The increase is primarily due to the receipt of the second half of funding from the Federal American Rescue Plan Act (ARPA), though expenditures are expected to occur through 2024.

Enterprise and Internal Service Funds: The fund balances within this fund group are estimated to increase $\$ 0.1$ million by the end of the year. This is primarily due to an increase in expenditures in the Risk Management Fund due to building repairs as well as an increase in personnel, which will be offset by prior year claim recoveries received by Risk Management.

# General FUND 

## General Fund

## Major Revenues

Total revenues in the General Fund through the first half of 2022 totaled $\$ 178.3$ million, an increase of $\$ 19.5$ million ( 12.3 percent) compared to the same timeframe in 2021. Through 2021, the effects of COVID-19 did not have significant impact on revenue collections and the County was able to maintain a healthy financial condition.

The increase in revenue is largely attributable to increases in current property taxes ( $\$ 11.8$ million), charges for services ( $\$ 8.0$ million), local retail sales and use taxes ( $\$ 2.4$ million), licenses and permits ( $\$ 0.6$ million) and the consolidation of three other property-tax-supported funds into the County General Fund in 2022. The increase in current property taxes is due to an increase in assessed valuation ( $\$ 11.8$ million). The increase in charges for services is mainly due to insurance fees ( $\$ 4.6$ million), Medicare fees ( $\$ 2.0$ million), Medicaid fees ( $\$ 0.9$ million), and patient fees ( $\$ 0.6$ million) received by Emergency Medical Services (EMS) in the General Fund in 2022 due to the consolidation of the EMS Tax Fund into the General Fund. The increase in local retail sales and use taxes is due to improving economic conditions ( $\$ 2.4$ million). The increase in licenses and permits is due to an increase in applications to the Metropolitan Area Building and Construction Department (MABCD) for construction projects ( $\$ 0.6$ million).

Increases were partially offset by decreases in reimbursements ( $\$ 1.5$ million), uses of money and property ( $\$ 0.6$ million), back taxes ( $\$ 0.5$ million), and motor vehicle taxes ( $\$ 0.2$ million). The decrease in reimbursements is due to a decrease in administrative charges due to the consolidation of the EMS, COMCARE, and Noxious Weeds Tax Funds into the General Fund in 2022 ( $\$ 0.8$ million) and the receipt of one-time claim recoveries in 2021 compared with no reimbursement in 2022 ( $\$ 0.5$ million). The decrease in
uses of money and property is due to low interest rates in the first half of the year, resulting in smaller revenues from interest on current property taxes ( $\$ 0.6$ million). The decrease in back taxes is primarily due to refunds of previously paid property taxes as a result of valuation appeals ( $\$ 0.5$ million) and the decrease in motor vehicle taxes is due to fewer transactions and a decrease in new vehicle registrations due to availability ( $\$ 0.2$ million).

The following section outlines these revenues and other major revenue categories collected by the General Fund.

Property taxes (current) are the largest revenue source in the General Fund. Through the first half of 2022, $\$ 126.3$ million in current property taxes had been collected, an increase of $\$ 11.8$ million ( 10.3 percent) compared to the previous year. The mill levy rate for this Fund is 24.363 , an increase of 1.494 mills from the 2021 rate of 22.869 mills due to the consolidation of three other property-tax-supported funds into the General Fund in 2022.

Local retail sales and use tax collections through the first half of 2022 increased $\$ 2.4$ million ( 14.7 percent), compared to 2021. Collections in all six months in 2022 exceeded collections in the same months in 2021. Disbursements from the State typically occur two months after the date of purchase and the numbers in the table on the next page reflect that trend.

Motor vehicle tax collections were $\$ 5.3$ million through the first half of 2022 , a decrease of $\$ 0.2$ million ( 3.8 percent) compared to the same timeframe in 2021. Motor vehicle taxes are collected in accordance with K.S.A. 79-5111, which requires these taxes to be allocated to each fund with a property-tax levy in proportion to the property tax levied during the previous year's budget.

Intergovernmental revenue includes receipts from other governmental entities, like the State of Kansas. Major sources of revenue in this category come from the State to assist with juvenile Corrections programs and from the City of Wichita for the County's portion of the merged code operation, though all revenues will now be received by the County as the merger is complete. Receipts in this category totaled $\$ 0.5$ million, which was $\$ 0.4$ million ( 46.8 percent), less than the first half of 2021.

Charges for services revenue consists of receipts paid by individuals to cover part or all of the cost of County services received, as well as cost allocations from various internal funds. The $\$ 15.6$ million collected through the first half of 2022 was $\$ 8.0$ million (104.5 percent) more than the same timeframe in 2021, mainly due to insurance fees ( $\$ 4.6$ million), Medicare fees ( $\$ 2.0$ million), Medicaid fees ( $\$ 0.9$ million), and patient fees ( $\$ 0.6$ million) received by EMS in the General Fund in 2022 due to the consolidation of the EMS Tax Fund into the General Fund. These fees historically were collected in the EMS Tax Fund, which was consolidated into the General Fund in 2022.

Uses of Money and Property revenue, which includes investment income, decreased $\$ 0.6$ million (17.9 percent) compared to the same timeframe in 2021 mainly due to a decrease in penalties and interest on back taxes.

Transfers from other funds and other proceeds are typically a result of the transfer of residual cash from the Auto License Fund or from completed capital projects,
which varies as projects can be completed any time during the year. Through both the first halves of 2021 and 2022, no revenue was captured in this category.

## Major Expenditures

Actual year-to-date expenditures for the first half of 2022 increased a nominal amount, $\$ 38,230$, compared to the same time period in 2021. Increases were recorded in personnel ( $\$ 7.7$ million) and commodities ( $\$ 0.3$ million), which were offset by decreases in contractuals ( $\$ 7.0$ million), equipment ( $\$ 0.6$ million), transfers to other funds ( $\$ 0.3$ million), and capital improvements (\$10,333).

Personnel costs increased $\$ 7.7$ million (13.0 percent) compared to the same timeframe in 2021. The increase is mostly attributable to the consolidation of the Emergency Medical Services (EMS) Fund and the COMCARE Fund into the General Fund beginning in 2022.

Contractual services expenditures decreased \$7.0 million ( 19.5 percent) through the first half of 2022, compared to the same timeframe in 2021. The decrease is primarily due to a decrease in temporary employment
services ( $\$ 5.9$ million) by the Division of Finance partially due to a shopping cart created for temporary COVID employment services, as well as expenses for such services. An additional decrease was recorded in grant awards ( $\$ 1.6$ million) mostly to the Sedgwick County Zoo due to the final payment of the Phase I funding agreement made in 2021. The decreases were offset by an increase in financial professional services ( $\$ 0.5$ million) mostly by EMS due a shopping cart for billing services as well as expenses for such services.

Commodity expenditures increased $\$ 0.3$ million ( 7.2 percent) through the first half of 2022 when compared to the same timeframe in 2021. The increase is primarily due to increases in drug purchases ( $\$ 0.2$ million) mostly by EMS due to the consolidation of the EMS Fund into the General Fund and in postage/shipping ( $\$ 0.1$ million) by Central Services.

Transfers to other funds include the transfer of half of all retail sales and use tax collections. In accordance with the 1985 vote to implement a 1.0 percent Countywide sales tax, $\$ 1.6$ million annually is transferred to the Bond and Interest Fund to support debt service on bonded public works projects, and the remaining balance is transferred to the Local Sales Tax Road and Bridge Fund. Other transfers include funding from cash-funded capital facility and drainage projects. Those projects include the replacement of locks at the Adult Detention Facility (ADF) and camera/video updates ( $\$ 1.0$ million), Emergency Communications remodel ( $\$ 0.3$ million), phase two of updating the Health Department flooring ( $\$ 0.2$ million), ADF exterior light poles and fixture replacements ( $\$ 0.2$ million), outdoor warning device replacements and installation ( $\$ 0.1$ million), replacing roofs on County owned buildings ( $\$ 0.1$ million), and replacing parking lots on County owned properties $(\$ 48,033)$.

## General Fund Ending Balance

The General Fund 2022 beginning budgetary fund balance of $\$ 92.3$ million is estimated to decrease by $\$ 7.9$ million ( 8.6 percent) by the end of 2022, primarily due to increased costs associated an additional pay period in
2022. This strategic use of fund balance was included in the 2022 budget planning process.

## General Fund

The General Fund is the County's primary operating fund and accounts for County services that do not have a designated fund of their own. The General Fund includes most general government and law enforcement functions and receives the broadest variety of revenues. Currently, the operations of 44 different departments are funded from the General Fund. Below is a summary of General Fund revenues and expenditures followed by expenditures by department on the subsequent pages. Information for 2022 reflects the consolidation of the EMS, COMCARE, and Noxious Weeds Tax Funds into the General Fund as of January 1, 2022.

Revenues through June 2022 increased $\$ 19.5$ million versus the same time period in 2021 , specifically in current property taxes ( $\$ 11.8$ million), charges for services ( $\$ 8.0$ million), local retail sales and use taxes ( $\$ 2.4$ million), and licenses and permits ( $\$ 0.6$ million). The increase in current property taxes is due to an increase in assessed valuation ( $\$ 11.8$ million). The increase in charges for services is mainly due to insurance fees ( $\$ 4.6$ million), Medicare fees ( $\$ 2.0$ million), Medicaid fees ( $\$ 0.9$ million), and patient fees ( $\$ 0.6$ million) received by Emergency Medical Services (EMS) in the General Fund in 2022 due to the consolidation of the EMS Tax Fund into the General Fund. The increase in local retail sales and use taxes is due to improving economic conditions ( $\$ 2.4$ million). The increase in licenses and permits is due to an increase in applications to the Metropolitan Area Building and Construction Department (MABCD) for construction projects ( $\$ 0.6$ million). Increases were partially offset by decreases in reimbursements ( $\$ 1.5$ million), uses of money and property ( $\$ 0.6$ million), back taxes ( $\$ 0.5$ million), and motor vehicle taxes ( $\$ 0.2$ million). The decrease in reimbursements is due to a decrease in administrative charges due to the consolidation of the EMS, COMCARE, and Noxious Weeds Tax Funds into the General Fund in 2022 ( $\$ 0.8$ million) and the receipt of one-time claim recoveries in 2021 compared with no reimbursement in 2022 ( $\$ 0.5$ million). The decrease in uses of money and property is due to low interest rates in the first half of the year, resulting in smaller revenues from interest on current property taxes ( $\$ 0.6$ million). The decrease in back taxes is primarily due to refunds of previously paid property taxes as a result of valuation appeals ( $\$ 0.5$ million) and the decrease in motor vehicle taxes is due to fewer transactions and a decrease in new vehicle registrations due to availability ( $\$ 0.2$ million).

Expenditures increased by a nominal amount, $\$ 38,230$ compared to the same time period in 2021, specifically in personnel ( $\$ 7.7$ million) and commodities ( $\$ 0.3$ million). The increase in personnel is due to the consolidation of the EMS, COMCARE, and Noxious Weeds Tax funds into the General Fund in 2022 ( $\$ 9.0$ million), offset by a decrease in the Division of Finance for positions related to the coronavirus disease (COVID-19) ( $\$ 1.4$ million) in 2021. The increase in commodities is due to the purchase of operating supplies by EMS after consolidation into the General Fund in 2022 ( $\$ 0.4$ million). Increases were offset by decreases in contractuals ( $\$ 7.0$ million), equipment ( $\$ 0.6$ million), and transfers out ( $\$ 0.3$ million). The decrease in contractuals is primarily due to the decrease in charges for temporary staffing ( $\$ 5.9$ million) and cleaning services ( $\$ 0.7$ million) related to COVID-19 in 2021. The decrease in equipment is due to the purchase of radios by the Sheriff's Office per the radio replacement plan ( $\$ 0.9$ million). The decrease in transfers out is due to a decrease in transfers out - capital projects ( $\$ 1.4$ million) due to the timing of transfers for capital projects in 2022 compared to 2021, which was partially offset by an increase in transfers out - sales tax revenue ( $\$ 1.2$ million) by Highways due to an increase in the amount of sales tax generated through June 2022 compared to the same timeframe in 2021.

# Budgetary ACCOUNTS 

## Bond and Interest

The Bond and Interest Fund provides for the retirement of the County's bonded indebtedness. Sedgwick County levies taxes which, combined with special assessments credited to the Fund, sufficiently finance the principal and interest payments due throughout the year. On April 12, 2017, the Board of County Commissioners approved a revised debt financing policy which provides clear guidance on the use of debt. Debt policy objectives ensure the County obtains financing only for one-time capital improvement projects and unusual requipment purchases (subject to a two-step analysis), implements efficient processes, obtains favorable interest rates, and prioritizes financial flexibility.

For 2022, 2.035 mills were levied, a decrease 0.16 mills from the 2021 budget. In the past, this fund has received building rental revenue from WSU. The County has also had an allocation to WSU Tech in the General Fund. The arrangement ended in 2018.

## Wichita State University

In June 1987, the Board of County Commissioners and the Wichita City Council approved an inter-local agreement in which the City ended aproperty tax levy of 1.5 mills and the County created a county-wide levy for an equal amount. Of the revenue received from the levy,approximately 30.4 percent finances costs related to facility improvements, including the retirement of Public Building Commission bonds, 55.3 percent supports scholarships, and 5.2 percent funds economic and community development efforts. The remaining 9.1 percent of revenue isallocated to research, educational programs, faculty development, and unanticipated program needs.

## COMCARE

Comprehensive Community Care (COMCARE) of Sedgwick County provides mental health services and substance abuse treatment to adults, families, and children. COMCARE has existed as a Community Mental Health Center (CMHC) since 1962. In 1990, the Kansas Legislature enacted legislation, the State's Mental Health Reform Act, to shift State funding for mental health services from State hospitals to community providers. There are currently 26 licensed CMHCs operating in Kansas.

The COMCARE Tax Fund was consolidated into the General Fund starting in 2022.

## Emergency Medical Services

Emergency Medical Services (EMS) was created in 1974 per a City/County agreement to provide emergency response and scheduled ambulatory transfers. Prior to 1974, a private provider, Metropolitan, provided EMS services to the community.

Charges for service were the largest revenue stream for this Fund. Growth in this revenue category has been difficult to predict with recent changes in Medicare rules, billing vendors, the changes to user fee, and implementation of quality assurance measures within the Department.

The EMS Tax Fund was consolidated into the General Fund starting in 2022.

## Aging

The Department on Aging was created in 1980 to serve older citizens of the County and advocate independence and quality of life. Aging has two funds; the fund described below is used to account for the property tax supported portion of operations, while the other fund, Aging Grants, accounts for grants and most user fees.

Aging's property-tax-supported fund comprises 1.6 percent of the 2022 mill levy for the County, with $\$ 2.5$ million in revenue budgeted from a property tax rate of 0.482 mills for the year, a 0.041 mill decrease from 2021, while the other fund, Aging Grants, accounts for grants and most user fees.

## Highway

The Highway Department is financed through the Highway Fund to construct and maintain the County's roads, bridges and intersections. For 2022, the Fund is supported by a property tax levy of 0.990 mills, which represents a 0.039 mill increase from last year's rate of 0.951 .

The Fund also receives quarterly revenue distributions from the State's Special City/County Highway Fund as authorized under K.S.A. 79-3425. Although variable from year to year, reimbursements for inspecting KDOT construction projects are also part of intergovernmental revenues. Public Works staff bill these inspection fees upon project completion.

## Noxious Weeds

The Noxious Weeds Department was established to eradicate and control noxious weeds as required by K.S.A. 2-1318. Under the enabling statute, K.S.A. 2-13-19(d), Noxious Weeds is required to sell the pesticides at a subsidized rate to private landowners. Noxious Weeds also sprays noxious weeds for the Kansas Department of Transportation (KDOT) under an annual contract, and for private landowners at rates that reflect the cost of providing the service.

Charges for services are often dependent on the length of the growing season and impact revenue received from KDOT for spraying State-owned right of way. The Noxious Weeds Tax Fund was consolidated into the General Fund starting in 2022.

## Solid Waste

The Solid Waste Fund supports Household Hazardous Waste and Environmental Resources through a fee assessed on all owners of developed property in the County. This fee was established pursuant to K.S.A. 65-3410 and was adopted by the Board of County Commissioners in 2000 after the Legislature assigned counties responsibility for all solid waste planning within their jurisdictions.

In 2018, the storm debris contingency was reinstated in the amount of $\$ 250,000$ after being eliminated in 2016. Solid waste fees decreased in 2016 compared to rates in 2015, and those rates were held flat in 2017. In 2018, solid waste fees increased $\$ 1.00$ in each tier, and those rates were held flat in 2019. Fees increased again in 2020 with the base residential rate increasing from $\$ 5.88$ to $\$ 7.80$ and held flat in 2021. In 2022, the base residential rate increased from $\$ 7.80$ to $\$ 7.90$.

## Emergency Communications -911

Emergency Communications began in 1994 as a County department, prior to which it was a City agency. Operation of the County's 911 services is funded through both the Emergency Telephone Service Fund and the General Fund. The General Fund primarily supports personnel costs, while the Emergency Telephone Service Fund is restricted by K.S.A. 12-5304 to the installation and maintenance of telecommunicationservices used during emergency situations, the ongoing monthly costs of service lines, and capital equipment enhancements. These charges are collected by service providers of land lines and wireless devices with their primary place of use in Kansas.

During the 2004 Legislative Session, the Legislature approved an enhancement to the Fund's revenue stream by allowing the application of a tax on wireless phones, in addition to the landline tax. On January 1, 2012, wired and wireless rates were equalized at $\$ 0.53$ per line, and in 2015,rates were increased to $\$ 0.60$ per line. In 2019, the Legislature passed the Kansas 911 Act, which increased the local fee by $\$ 0.06$.

## Auto License

Pursuant to K.S.A. 8-145, the County Treasurer is responsible for the collection of motor vehicle taxes and the issuance of vehicle registrations, as funded through the Auto License Fund. As a result of these functions, the Treasurer receives a fee for each transaction to support operational expenditures.

The Auto License Fund net operating incomes must be transferred into the General Fund each year, as outlined in K.S.A. 8-145.

## SCDDO Grants

The Sedgwick County Developmental Disability Organization (SCDDO) assists disabled citizens of Sedgwick County in accessing community services that promote independence. The SCDDO network providers are directly reimbursed by the State for case management services.

The SCDDO's Grant portion comes primarily through a contract with the State of Kansas through the Kansas Department for Aging and Disability Services, which is the primary source of revenue for this Fund.

## COMCARE Grants

COMCARE of Sedgwick County provides mental health services and substance abuse treatment to adults, families, and children. COMCARE has existed as a Community Mental Health Center (CMHC) since 1962. In 1990, the Kansas Legislature enacted legislation, the State's Mental Health Reform Act, to shift State funding for mental health services from State hospitals to community providers. There are currently 26 licensed CMHCs operating in Kansas.

As operations are impacted by Medicaid Managed Care, State budget reductions and KanCare changes, financial forecast estimates will be revised accordingly.

## Health Grants

Prior to 2002, the City of Wichita and Sedgwick County funded the Health Department through a cooperative partnership. During this time, the City of Wichita was the managing partner and contributed 60.0 percent of the required tax funding while the County contributed 40.0 percent. The partners implemented a new agreement in 2002 in which the County began managing the Health Department and, until 2005, the City provided financial support.

## Stimulus Grants

On March 11, 2020, the World Health Organization declared the novel coronavirus, COVID-19, a pandemic. On March 27, 2020, the Federal Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law. The Act provided $\$ 2$ trillion in economic relief funding and allocated $\$ 150$ billion of that to state, local, and tribal governments through Title V of the Act, called the Coronavirus Relief Fund. Sedgwick County received $\$ 99.6$ million in direct allocation, which was used by the County, other municipalities, and approved entities to cover costs incurred due to COVID-19; were not accounted for in the budget most recently approved as of March 27, 2020; and were incurred during the period of March 1, 2020, through December 30, 2020. The County also received $\$ 9.3$ million in pass-through Federal stimulus funding from the State's allocation of CARES funding.

On March 11, 2021, the Federal American Rescue Plan Act (ARPA) was signed into law. The Act provided $\$ 1.9$ trillion for COVID response and recovery. It allocated $\$ 350$ billion to states and local governments. Sedgwick County was allocated $\$ 100.2$ million, to be paid in two equal installments in 2021 and 2022. Funds must be committed by December 31, 2024 and may be used for response to the COVID-19 public health emergency and its negative economic impacts; premium pay for essential workers; the cost of government services, to the extent that funding was reduced by the COVID-19 public health emergency; and investments in water, sewer, and broadband infrastructure. A spending plan through the first quarter of 2022 is in place; a spending plan for the second quarter of 2022 through the end of the grant term will be proposed to the Commission in March 2022.

## INTRUST Bank Arena - Subfund

Senate Bill 58, signed on April 4, 2005 by then Governor Kathleen Sebelius, authorized Sedgwick County to collect a 1.0 percent sales tax for a period of 30 months beginning July 1, 2005. The proceeds from this tax were specifically designated for the construction of an Arena in the downtown area of Wichita, renovations to the Kansas Pavilions, and the creation of a reserve fund to support operations and maintenance of the combined enterprise. This method eliminated the need for securing bonds to finance the project, saving approximately $\$ 112$ million in interest.

In January 2008, naming rights proposals were adopted for an additional $\$ 14.8$ million in revenue over the next 20 years. This is the primary source of revenue now being collected in the fund as part of the budgetary account breakdown. On January 2, 2010, the INTRUST Bank Arena opened its doors to the public. Management of the Arena is the responsibility of SMG, a private company specializing in arena facility management for more than 35 years. Under this arrangement, SMG is responsible for any operating losses during its contract and any profits will be split between the County and SMG based on a formula, providing the first $\$ 400,000$ of net income to SMG and splitting the remainder 50/50. The information presented below displays financial data for the Arena back to 2005 .

Due to the impact of COVID-19 on availability of shows, concerts, and other events as well as group size restrictions, very few typical events have been held in the Arena since mid-March 2020, greatly impacting revenues and overall net operating income. As a result, SMG notified Sedgwick County of its intent to invoke Section 13.5 Force Majeure of the Operating Agreement as of July 17, 2020. As a result, SMG's responsibility for operating losses was halted, so this fund was used to offset operating losses for 2020. The Commission approved a separate amendment for calendar year 2021 on December 16, 2020. For 2021, the County reimbursed SMG for any net operating losses on a monthly basis. SMG reimburse dthe County for any net operating profit in a month.

## Fleet Management

Fleet Management is responsible for maintaining, repairing, fueling, and replacing the County's fleet, which consists of 698 vehicles and related equipment. Revenues are primarily generated from internal service charges collected from County departments who utilize services. Vehicle replacement revenues, also referred to as set-aside, are retained in the Fund until the replacement purchase is made. Included within Fleet Management is the Fleet Acquisition Contingency of $\$ 1.5$ million annually. The Contingency provides a source of funding for emergency equipment acquisitions and other large unforeseeable events not envisioned at the time the budget was adopted.

In 2013, the Board of County Commissioners authorized several changes in Fleet Management operations to reduce the Department's budget. These included outsourcing the parts room, body shop work, and ambulance remounts. In 2017, the BOCC approved a new fleet replacement policy, which transitioned away from an age and miles approach to a more sophisticated point system.

## Health/Dental Insurance Fund

The Health and Life Fund was established to account for the costs associated with Sedgwick County's employee health benefit plans and is supported by premiums charged to departmental budgets and employees.

On July 9, 2014, the Board of County Commissioners approved a shift to a self-funded employee health insurance model, along with a contract for the administration of employee health and pharmacy benefits with United Healthcare beginning January 1,2015 . A self-funded health insurance plan gives the County better cash flow, greater flexibility over the health plan design and coverage, and reduced administrative costs. Self-funding tends to cost less, as any savings remains with the plan to help pay future costs. United HealthCare provides guarantees for operational, service, implementation, clinical and network discounting performance. Beginning in 2020, the County offers three medical plans that employees can choose from. These plans include a Premier PPO Plan, a Base PPO Plan, and a High Deductible Health Plan with a Health Savings Account option.

## Workers' Compensation

Pursuant to K.S.A. 44-505b, the Workers' Compensation Fund was established, allowing Sedgwick County to become selfinsured. Each individual workers' compensation claim is self-insured up to $\$ 600,000$. The Fund pays for legal expenses, workers' compensation claims, administration, and related operational costs. Funding to cover these costs is supported by premiums charged to departments based on the number and cost of historical claims.

## Risk Management

To centralize and manage administration of claims and claim expense, the County established the Risk Management Fund in 1986, as authorized by K.S.A. 12-2615. The Fund pays for Risk Management staff salary and benefits, insurance premiums, insurance deductibles, and claims not otherwise covered by an insurance policy. The fund is supported by an annual inter-fund transfer from the General Fund.

The Fund is used to pay premiums for the following insurance policies: property, Sheriff's aircraft hull and liability, fire, vehicle, fleet, physical liability, employee blanket bond, public official bonds, professional liability for Health Division and COMCARE healthcare facilities, and professional liability for physicians in COMCARE, Regional Forensic Science Center, and the Office of the Medical Director (OMD). Each policy has a deductible of $\$ 250,000$ or less. The risks of public liability and auto liability are self-insured. The self-insured claims and expenses are also paid out of the Risk Management Fund.

# Capital PROJECTS 

## Capital Projects

The following report provides a financial overview of active capital improvement program (CIP) facility projects as well as road, intersection, bridge and drainage projects. Projects are grouped together by category and the year in which they were approved. An overview of the CIP as well as individual project spending is reported. The report is prepared from multiple sources, including reports from both Facility Project Services and Public Works. As the report focuses on active projects, historical information on completed projects that are fully paid for will normally not be included.

- 2005: Project budgets currently include $\$ 1.1$ million in remaining funding related to INTRUST Bank Arena, which opened in January 2010. This project will remain open for the life of the facility.
- 2012: Active 2012 projects include $\$ 1.9$ million in budgeted funding, with $\$ 4,722$ remaining for one drainage project that is scheduled for completion in 2023. This project is now being combined with another project in 2019 that is ongoing. The final facility project was completed in 2012 but remains open for administrative reasons.
- 2013: Active projects in the 2013 CIP include $\$ 2.8$ million in project funding, of which all funding is committed. The final 2013 project was completed in 2017 but remains open for administrative reasons.
- 2015: Project budgets currently include $\$ 1.5$ million in project funding, of which $\$ 1.4$ million is committed and $\$ 0.1$ million is available. The final 2015 projects were active until July 2020, and they remain open for administrative reasons.
- 2017: Budgeted funding for the 2017 CIP totals $\$ 6.5$ million, with $\$ 6.2$ million committed and $\$ 0.4$ million available. Significant projects include the Law Enforcement Training Center and numerous bridge projects.
- 2018: Budgeted funding for the 2018 CIP totals $\$ 2.8$ million, with $\$ 2.0$ million committed and $\$ .08$ million available. Significant current projects include the Cherese Woods Benefit District, as well as numerous road and bridge projects.
- 2019: Budgeted funding for the 2019 CIP totals $\$ 11.9$ million, with $\$ 11.3$ million committed and $\$ 0.6$ million available. Significant current projects include replacing Fire Station 31, upgrading the Juvenile Detention Facility cameras and recording system, one drainage project, and one road project.
- 2020: Budgeted funding for the 2020 CIP totals $\$ 8.4$ million with $\$ 5.7$ million committed and $\$ 2.7$ million available. Significant current projects include expanding the waiting room at the Adult Residential and Work Release Facility, expanding the courtroom on the eleventh floor of the Sedgwick County Courthouse, and numerous road and bridge projects.
- 2021: Budgeted funding for the 2021 CIP totals $\$ 10.1$ million with $\$ 3.9$ million committed and $\$ 6.2$ million available. Significant current projects include the Elections Building, replacing the Heating, Ventilation, and Air Conditioning (HVAC) at the Juvenile Residential Facility, and numerous road and bridge projects.
- 2022: Budgeted funding for the 2022 CIP totals $\$ 110.2$ million with $\$ 76.4$ million committed and $\$ 33.8$ million available. Significant projects include the Community Crisis Center Expansion, the Household Hazardous Waste Facility Expansion, and numerous road and bridge project.

Fund STATEMENTS

## Fund Statements

## Government-Wide Financial Statements

The government-wide financial statements, which are done in accordance with GAAP, are designed to provide a broad overview of the County's finances, in a manner similar to a private-sector business. The governmentwide financial statements consist of the Statement of Net Position and the Statement of Activities which can be found on pages 57-59 of this report. The Statement of Net Position presents information regarding the County's assets and liabilities, with the difference between the two reported as net position. The Statement of Activities presents information showing how net position changed during the reporting period. It is important to note that over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the County is improving or deteriorating.

Highlights of the government-wide financial statements as of and for the period ending June 30, 2022 are as follows:

- Total assets of the County exceeded liabilities by $\$ 585.1$ million, representing net position. Of this amount, $\$ 78.8$ million is reported as unrestricted net position.
- The largest portion of the County's net position ( $53.8 \%$ ) consists of its investment in capital assets (e.g., land, buildings, machinery and equipment net of depreciation), less any outstanding debt used to acquire those assets. Although the County's investment in capital assets is reported net of related debt, it is important to remember that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.
- Program expenses exceeded revenues by $\$ 28.6$ million, reflecting the extent to which various County functions are supported by other general revenue streams, including property tax, sales taxes, other taxes, and investment earnings. The net deficiency of program revenues under expenses is offset by general revenues and transfers of $\$ 121.9$ million, resulting in a $\$ 93.4$ million, or $14.7 \%$, increase in net position since the first of the year.

## Combined Financial Statements

Governmental funds are generally used to account for tax-supported activities. The focus of the County's combined financial statements for governmental funds is to provide information on near-term inflows and outflows of spendable resources, as well as balances of spendable resources available at the end of the reporting period. Although the County maintains over 30 individual governmental funds, information is presented separately on the Balance Sheet (pages 60 and 61 ) and the Statement of Revenues, Expenditures and Changes in Fund Balances (pages 62 and 63) for the General Fund, Federal/State Assistance Funds, Public Building Commission, Debt Service Fund and the Debt Proceeds Fund. These funds are considered major funds or are of particular interest. Information regarding the County's remaining governmental funds is combined into a single aggregated column and reported as other non-major governmental funds. Individual fund data for each of the other non-major governmental funds is presented in the form of Combining Financial Statements which may be found on pages 66-74 of this report.

Proprietary funds of the County include Enterprise Funds and Internal Service Funds and the related financial statements include the Statement of Net Position and Statement of Revenues, Expenses and Changes in Net Position (pages 64 and 65). The County's single Enterprise Fund is the Arena Fund and is reported on the same basis as business-type activities. Internal Service Funds are used to accumulate and allocate costs internally among the County's various functions. The County uses Internal Service Funds to account for its fleet of vehicles, insurance, workers' compensation and risk management activities. All Internal Service Funds are combined into a single, aggregated presentation in the proprietary fund financial statements.

Individual fund data for the Internal Service Funds is provided in the form of combining statements as presented on pages $82-85$ of this report.

Highlights of the financial statements for the governmental and proprietary funds as of and for the period ending June 30, 2022 are as follows:

- Fund balances for the governmental funds totaled $\$ 288.1$ million, an increase of $\$ 90.4$ million since the end of 2021. The following table depicts the financial position at June 30 and shows how fund balances changed in the major and other governmental funds:

| Governmental Fund Type | June 30, 2022 <br> Fund Balance |  | Change in Fund Balance |  |

| Totals | \$ | 369,782,916 | \$ | 172,082,033 |

- Governmental funds revenues were $\$ 339.8$ million for the period ending June 30, 2022, an increase of $\$ 2.9$ million compared to 2021. Property tax revenue was up $\$ 3.6$ million from the same time period last year. Intergovernmental revenue decreased $\$ 3.4$ million and charges for services decreased $\$ 0.1$ million from 2021 to 2022. Sales tax revenue increased $\$ 1.87$ million for 2022.
- Governmental funds expenditures were $\$ 167.7$ million as of June 30, 2022, a decrease of $\$ 15.9$ million from the same period last year. General government expenditures decreased $\$ 11$ million from 2021 to 2022. Public safety expenditures decreased $\$ 1.9$ million. Culture and recreation expenses decreased $\$ 1.8$ million from last year and capital outlay expenses decreased by $\$ 2.5$ million from last year.
- The unrestricted fund balances of the governmental funds totaled $\$ 189.7$ million, which is available for meeting current budget obligations and spending at the government's discretion.
- Fund balance of the Public Building Commission (PBC) fund totaled $\$ 1.2$ million, a decrease of $\$ 0.3$ million since the end of 2021. The PBC fund is a special revenue fund to account for revenues and expenditures derived from direct financing leases.
- Fund balance of the Debt Service Fund is $\$ 12.4$ million, all of which is restricted for the payment of debt service. Funding of debt service expenditures is primarily met through property taxes, special assessments and transfers from other funds.
- The fund balance of the Debt Proceeds Fund totaled $\$ 5.0$ million, with a decrease of $\$ 15,000$ since the end of 2021.
- Net position of the Arena Fund (the County's only Enterprise Fund) totaled $\$ 140.1$ million at June 30. Of this amount, $\$ 130.7$ million is invested in capital assets and $\$ 9.4$ million represents unrestricted net position.
- Net position of the Internal Service Funds totaled almost $\$ 37.3$ million. Of this amount, $\$ 9.6$ million is invested in capital assets and $\$ 27.6$ million represents unrestricted net position.
