#### **Overview**

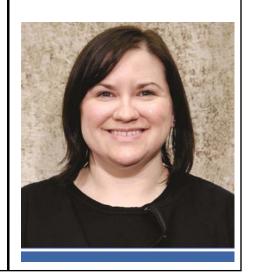

**Budgeted Transfers represent funding** that will either be held in reserve or transferred into other functions. Sedgwick County utilizes these transfers for two purposes. One purpose is to provide matching funds for outside grants or other match requirements. An example includes the contractual obligation to match per-ticket facility fees received from ASM Global, the INTRUST Bank Arena management company, to be used exclusively for reinvestment in the annual capital improvement program (CIP) for the facility.

The second purpose is to provide annual funding for the Risk Management Reserve Fund. The Risk Management Reserve Fund is utilized to centralize and manage Sedgwick County's general liability risks. The Fund pays for insurance premiums, deductibles, and other claims not covered by an insurance policy.

### **Significant Budget Adjustments**

Budgeted Transfers' 2023 budget is comprised of \$3.0 million in transfers out to support Risk Management operations and a match for INTRUST Bank Arena facility fee revenues to support the long-term Arena capital improvement program.
