- State of Kansas: \$1,583,680,553.30

## Authorized Uses

- Response to the COVID-19 public health emergency and its negative economic impacts
- Premium pay for essential workers
- The cost of government services, to the extent funding was reduced by the COVID-19 public health emergency
- Investments in water, sewer, and broadband infrastructure
- Certain surface transportation / natural disasters  
*(added in 2023)*

## Authorized Uses

- Consistent language throughout guidance/FAQs:

Q: May we do X with our funding?

*A: Yes, provided the recipient considers whether, and the extent to which the (affected group) has experienced a negative economic impact from the pandemic. Additionally, aid must be reasonably proportional to the negative economic impact it is intended to address.*

(a) Remaining budget authority at year-end will transfer to next year's budget, so long as it is within the ARPA term. Budget authority will be established at a project level and may be moved within the project - it will not be subject to the Budget Allotment & Transfer Policy. All procurement will occur in compliance with Federal and County rules and policies.

(b) CIP Contingency budget authority may only be accessed with a vote of the County Commission

(c) COVID Surge Contingency reflects a shift of funding from specific projects to this Contingency, to be approved by the County Manager and reported to the County Commission, should a surge in COVID or workload (mental health hospital work) require immediate resources
