On the recommendation of Britt Rosencutter, on behalf of COMCARE, Anna Meyerhoff-Cole moved to **accept the bids from Don Hattan Chevrolet in the amount of \$79,350.00 [2 @ \$24,300.00 (Cloth Package) and 1 @ \$30,750.00 (Leather Package)]**. Jennifer Blasi seconded the motion. The motion passed unanimously.

These vehicles will be used primarily by COMCARE's Integrated Care Teams 2 (ICT 2-5), which is made up of Behavioral Health Professionals within the Wichita Police Department (WPD). These vehicles will allow Behavioral Health Professionals to respond to members of the community in situations that involve emotional and behavioral crises while having a WPD officer on site.

Three (3) additional vehicles will allow the team the means to respond, assess and, if needed, recommend transportation to a nearby facility for treatment. The ICT 2-5 will reduce the resources spent on Law Enforcement responding to mental health related calls by allowing the designated officer and the Behavioral Health Professional to respond as a team.

These vehicles will allow confidential intervention, making the patient more comfortable during their interactions with the ICT 2-5 team.

Notes:

The funding for these vehicles was approved by the Board of County Commissioners on June 7, 2023.

Questions and Answers

Brandi Bailly: I see they are buying two (2) of the vehicles with the Cloth Package and one (1) of them with the Leather Package. Why a Leather Package when it is \$6K more?

Britt Rosencutter: I think we have Ashley on the phone but I can answer that. They have a limited budget that they can spend on these vehicles and they want to get three (3) vehicles to use. By buying the two (2) cloth and the one (1) leather, they're able to meet or be within their budget. They wanted leather on all of them because of the constant in and out of the vehicles and any possible accidents that might occur during the visits/interventions that they might have. They would've preferred to have them all in leather but they didn't have the budget for it so they are doing two (2) in cloth and one (1) in leather.

On the recommendation of Britt Rosencutter, on behalf of COMCARE, Jennifer Blasi moved to **accept the low and responsive bid from Don Hattan Chevrolet in the amount of \$34,850.00 (Leather Package)**. Anna Meyerhoff-Cole seconded the motion. The motion passed unanimously.

This vehicle will be primarily used for Sedgwick County COMCARE Admin staff transportation to and from various Sedgwick County COMCARE locations as well as the Sedgwick County Health Department locations.

One of the major uses for this vehicle will be for the Health and Human Services Facilities Manager to transport tools, materials, and equipment to and from the various COMCARE sites for repairs, maintenance, and other various facility related purposes. There are often times where larger items such as ladders, chairs, cabinets, and other items need to be transported that otherwise wouldn't fit in the employee's vehicle.

The vehicle may also be used for COMCARE IT staff delivering computer equipment, etc. to various COMCARE locations as well as for the COMCARE mail carrier to deliver interoffice mail to various COMCARE locations.

COMCARE staff also attends various trainings, events, and career fairs across Kansas. This vehicle will allow several employees to ride together reducing both emissions and the need to pay mileage reimbursement to multiple employees.

Notes:

This vehicle is included in COMCARE's 2023 budget.

Questions and Answers

Brandi Bailly: Yes. My question on this is the same. How come the Leather Package on this when it is going to be used mostly for a Facilities Manager to transport their tools and equipment? Is leather necessary on this one?

Ashley Sublett: Leather is preferable just for cleaning purposes. There was a cloth option but it did not fit within the scope of the rest of the requirements that we requested.

Britt Rosencutter: That is correct. The specs in the bid were for leather not cloth. The vendor quoted cloth thinking that they would be a lower price that way.

Brandi Baily: Since this will be used primarily by the Facilities Manager to transport larger items, is a SUV a feasible vehicle or should we be looking possibly at a truck?

Ashley Sublett: So it is going to be used not just for me, I'm the Facility Manager, but it will be used by the rest of the Admin Staff. This was the best option for all of the parties involved.

Russell Leeds: You are transporting materials and supplies but there are also times that you are transporting personnel?

Ashley Sublett: Correct. Yes sir.

Russell Leeds: The specs of the bid were leather or leather like?

Britt Rosencutter: Right. Leather or vinyl.

Russell Leeds: And what they bid was leather?

Britt Rosencutter: They actually bid cloth and they gave us the leather option which the leather is what we wanted.

Russell Leeds: That was what was in the bid?

Britt Rosencutter: Correct.

New recommendation made by Commissioners at BoCC dated August 9, 2023:

This vehicle is to be ordered with the Cloth Package only. Leather Package request was unanimously rejected.

BOARD OF BIDS AND CONTRACTS AUGUST 3, 2023

**3. COPIERS, PRINTERS, AND MULTI-FUNCTION DEVICES WITH RELATED SUPPLIES, ACCESSORIES, AND SERVICES -- VARIOUS COUNTY DEPARTMENTS
FUNDING -- VARIOUS COUNTY DEPARTMENTS**

(Joint Governmental Purchase - Sourcewell RFP #030321; Contract 030321-KON)

#23-2057 Contract

Konica Minolta Business Solutions U.S.A., Inc.	
Copiers, Printers, and Multi-Function Devices with Related Supplies, Accessories, and Services	See Konica Minolta Business Solutions U.S.A., Inc.'s price list

On the recommendation of Jaimee Witmer, on behalf of various departments, Tim Myers moved to **establish a contract with Konica Minolta Business Solutions U.S.A., Inc. utilizing the State of Minnesota Sourcewell RFP #030321; Contract 030321-KON good through April 19, 2025 with a one (1) year option to renew.** Brandi Baily seconded the motion. The motion passed unanimously.

The county has had a contract in place with Konica Minolta Business Solutions U.S.A., Inc. since 2019 for multi-function printers and various solutions and departments have been pleased with the service and products available through the cooperative agreement.

Notes:

Sourcewell conducted a competitive solicitation process and received 15 sealed proposals.

In 2022, the county spent \$330,417.31 utilizing this contract.

Questions and Answers

Brandi Baily: One quick question. It says that Sourcewell conducted a competitive solicitation and had 15 sealed proposals. When did that happen? Do you know?

Jaimee Witmer: It was done in 2021. January of 2021. It looks like they sent it out January 12th specifically.

Brandi Baily: I was just trying to see how new or up to date the numbers were.
