ADDENDUM #1

RFB # 23-0088

LED DISPLAY MONUMENT SIGNS FOR HEALTH DEPARTMENT FACILITIES

January 10, 2024

The following is to ensure that vendors have complete information prior to submitting a proposal. Here are some clarifications regarding the bid for RFB # 23-0088 LED Display Monument Signs for Health Departments Facilities.

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

Sedgwick County Project Services has confirmed that the outlets viewed at the two (2) facilities during the course of the pre-bid meeting are the outlets the contractor will be utilizing for power.

The sign at the Main Health Department located at 2716 W. Central will be moved.

It has been determined that measuring from the sidewalks, the sign will need to be relocated 20' to the north (line 1) then 24' east from there. This should line up close to the wall that the main entrance to the building is connected to. (See image below)

Firms interested in submitting a *bid* must respond with complete information and **deliver on or before 1:45 pm CST, January 16, 2023**. Late *proposals or bids* will not be accepted and will not receive consideration for final award.

“PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE *PROPOSAL/BID* RESPONSE PAGE.”
