On the recommendation of Gunda Angelica, on behalf of Fleet Management, David Spears moved to **accept the low responsive bid from Key Equipment & Supply Co. (Option 1) in the amount of \$318,990.00 and establish contract pricing for labor and parts for three (3) years.** Linda Kizzire seconded the motion. The motion passed unanimously.

A committee comprised of Bob Krause and Jon Medlam - Public Works, Rex Victory and Penny Poland - Fleet Management, and Gunda Angelica - Purchasing, reviewed and evaluated submitted proposals based on specifications and price. Key Equipment & Supply Co. Option 3 and Truck Component Services dba The Larson Group did not meet specifications.

These are replacement vehicles for Public Works; surplus will be sold on Purple Wave, Inc.

Notes:

Key Equipment & Supply Co. (Option 3) is a "pelican" model and is not mounted on a chassis. This equipment does not meet specifications for the sweeper engine, hydraulic system, electrical system and many other specifications.

Truck Component Services dba The Larson Group did not meet paint specification prior to assembly. This makes the sweeper vulnerable to corrosion and could potentially decrease the life expectancy.

Question: Can you explain why under "Parts: cost + % markup", one bid has "List less 5%" and the other bids have "25%?" Joe Thomas from Purchasing answered that generally parts pricing is based on the wholesale cost of materials plus the vendor's markup. In this case, one vendor used a different format, utilizing their retail list price and subtracting five percent.

**BID OPENING APRIL 21, 2015**

**2. ON-CALL ELECTRICAL SERVICES -- FACILITIES DEPARTMENT  
FUNDING -- FACILITIES DEPARTMENT**

No Bid	Sims Electric	Atlas Electric, LLC	Belford Electric, Inc.
	Kansas Electric, Inc.	Weber & Associates, Inc.	

On the recommendation of Joe Thomas, on behalf of the Facilities Department, Jennifer Dombaugh moved to **accept the overall low proposals from Advance Electric, Inc. and Southwestern Electrical Company, Inc. and establish contract pricing for one (1) year with two (2) one (1) year options to renew.** Tim Kaufman seconded the motion. The motion passed unanimously.

Greg Tuxhorn-Facilities and Kim Evans-Purchasing reviewed the responses. The county has done business with all vendors in the past with favorable results.

The estimated average annual spend on these services is \$50,000.00.

**BOARD OF BIDS AND CONTRACTS APRIL 30, 2015**

**3. 2015 NOVA CHIP OVERLAYS (R175-B) -- PUBLIC WORKS  
FUNDING -- R175 PREVENTIVE MX-15**

(Request sent to eight vendors)

RFB #15-0036 SC #8000062730

Engineer's Estimate: \$4,312,120.00	APAC-Kansas, Inc. Shears Division	<b>Cornejo &amp; Sons, LLC</b>
Nova Chip Overlays	\$3,657,948.00	<b>\$3,589,200.50</b>
Bid bond	Yes	<b>Yes</b>
Acknowledge addendum	Yes	<b>Yes</b>

On the recommendation of Kristen McGovern, on behalf of Public Works, David Spears moved to **accept the low bid from Cornejo & Sons, LLC in the amount of \$3,589,200.50.** Linda Kizzire seconded the motion. The motion passed unanimously.

Nova Chip Overlays are one of the tools used by Public Works to prolong the life of a road by adding a 1/2" overlay. This preventive maintenance project includes approximately 55 miles of county roads.

**BOARD OF BIDS AND CONTRACTS APRIL 30, 2015**

**4. 2015 ASPHALT SURFACE RECYCLING (R175-M) -- PUBLIC WORKS  
FUNDING -- R175 PREVENTIVE MX-15**

(Request sent to 10 vendors)

RFB #15-0037 SC #8000062731

Engineer's Estimate: \$1,218,254.20	Bettis Asphalt & Construction, Inc.	<b>Dustrol, Inc.</b>
Asphalt Surface Recycling	\$992,710.47	<b>\$922,487.20</b>
Bid bond	Yes	<b>Yes</b>
Acknowledge addenda	Yes	<b>Yes</b>
No Bid	Cutler Repaving, Inc.	

On the recommendation of Kristen McGovern, on behalf of Public Works, David Spears moved **to accept the low bid from Dustrol, Inc. in the amount of \$922,487.20.** Jennifer Dombaugh seconded the motion. The motion passed unanimously.

This is a process that includes heating the existing pavement, scarifying and/or hot milling the existing top two inches of pavement, adding a rejuvenating agent, mixing, spreading, leveling and compacting the recycled material. This preventive maintenance project includes approximately 9 miles of county roads.

Dustrol, Inc. is a new vendor to the county. They are based in Towanda and have been in business since 1973. Dustrol, Inc. is a provider of asphalt recycling and related highway maintenance services.

**5. PRE-CAST REINFORCED CONCRETE BOX & END SECTIONS -- PUBLIC WORKS**

Acknowledge addendum	Yes				
No Bid	Cretex Concrete Products Midwest, Inc.				

On the recommendation of Kristen McGovern, on behalf of Public Works, Linda Kizzire moved to accept the overall low bid from **Wichita Concrete Pipe Co. and establish contract pricing for one (1) year with two (2) one (1) year options to renew.** Tim Kaufman seconded the motion. The motion passed unanimously.

Wichita Concrete Pipe Co. provided pricing for all items. The bid from Old Castle Precast, Inc. was missing a number of end section sizes. End sections and box sections must be cast by the same pre-caster to get the joints to match.

On the recommendation of Kristen McGovern, on behalf of Public Works, David Spears moved to **accept the bid from South West Butler Quarry, LLC for an initial purchase in the amount of \$87,120.00 and establish contract pricing for one (1) year with two (2) one (1) year options to renew.** Linda Kizzire seconded the motion. The motion passed unanimously.

The bid from Whitaker Aggregates, Inc. was a lower material cost by \$.60 /ton but would result in a higher delivered cost per ton for the County. The bid is quoted based on County pickup of loads from the quarry and delivery to the North, Andale, West and Clonmel Yards. The average round trip is 138 miles for the four facilities from Whitaker Aggregates resulting in a premium of \$14.50/ton to the base cost when factoring in the extra mileage and labor rates. The location of the Whitaker Aggregates' quarry is more than twice the distance of the South West Butler quarry.

AB-3 rock is used for making the edge of road pavement, thus creating a rock shoulder edge.

On the recommendation of Kristen McGovern, on behalf of Public Works, Jennifer Dombaugh moved to **accept the bid from A Plus Logistics, LLC dba A Plus Trucking in the amount of \$91,600.00 and establish contract pricing for one (1) year with two (2) one (1) year options to renew.** Tim Kaufman seconded the motion. The motion passed unanimously.

Fremar Corporation did not meet specification. The specification calls for all of the material to pass through a 1/2 inch sieve. Fremar Corporation noted on their bid that this did not meet the specification outlined by KDOT.

Question: Can you explain the phrase "did not meet the specification outlined by KDOT?" David Spears with Public Works answered that Fremar Corporation did not meet the specification that all of the material pass through a 1/2 inch sieve.
