No Bid	APAC - Kansas Shears Division

On the recommendation of Kristen McGovern, on behalf of Public Works, Tim Kaufman moved to **accept the bid from Cutler Repaving, Inc., in the amount of \$1,759,714.20.** Linda Kizzire seconded the motion. The motion passed unanimously.

Asphalt Surface Rejuvenation involves rehabilitating the surface layer of existing asphalt concrete pavement. Rehabilitating shall be performed with a single machine specially designed to simultaneously perform the multi-step process of thoroughly remixing and reshaping the old asphaltic surface, and then placing a minimum of 1" overlay of a new hot mix asphaltic concrete.

Cutler Repaving, Inc. is the only vendor in our region with this capability and has performed this work for the county every year since 1998.
