**SECTION IV  
AUTHORIZATIONS**

I hereby apply for status as a participant in the Diversion Program and request that the District Attorney temporarily delay trial against me in order to permit consideration of this application. I understand it is my responsibility to submit a diversion application in a prompt and timely fashion and within the guidelines set by the District Attorney to provide the necessary time for my diversion application to receive a full and complete review by the District Attorney's Office. I understand that the final decision to continue criminal proceedings or to defer prosecution in my case rests entirely with the District Attorney.

I authorize the Program Coordinator to conduct an investigation to determine my suitability for this program.

A false answer or omission of any question in this application shall be grounds for recommendation against placement into this program or removal after placement in the program, in which case, the District Attorney will resume prosecution on the original charges.

I understand and agree that in the event it is learned I have falsified or omitted any part of the application for Diversion, including, but not limited to, my listing of prior traffic and criminal offenses, it shall be considered a violation of my Agreement for Pre-Trial Diversion and I may be taken off Diversion. I agree that a criminal justice report, including, but not limited to, a Department of Justice report, KBI report, Police Department or Sheriff's Department report, and/or Department of Revenue report, may be admitted as evidence in any court, without foundation, to prove prior traffic or criminal offenses.

I understand that failure to respond to any question will render the application incomplete and the District Attorney's Office will not consider the application.

**Please read the statement below and sign and date.**

I declare (or verify, certify, or state) under penalty of perjury under the laws of the State of Kansas, that I have personally read or have had read to me the above application for Diversion and responses thereto and that all information contained in the foregoing application for the Pretrial Diversion Program is true and correct.
