- During the month of August, Sedgwick County Developmental Disability Organization (SCDDO) Quality Assurance Staff completed 7 day and 18 residential program visits.
- At the August meeting of the Intellectual/Developmental Disability Advisory Board (IDDAB) two new affiliates were recommended for approval. KVC and Restoration Family Services are both child placing agencies seeking to affiliate to provide children’s residential to youth in our county approved for the service.
- Project SEARCH has returned to Sedgwick County for the 2018/19 school year. There are 11 interns in this year’s class. The interns met county supervisors at an introduction meeting in August. A total of 10 departments have approximately 13 internship opportunities for the students. Participating departments include: Aging, COMCARE, Exploration Place, Print Shop, Cafeteria, SCDDO, Finance, Health, Fire and Corrections.
- Quality Assurance (QA) has initiated the SCDDO Recognition Program. The purpose of this program is to recognize affiliate staff that display exemplary job performance and reward them to boost morale and encourage others to improve performance. When QA staff are out at affiliate locations for site visits they will recognize direct support staff they observe providing exemplary service to clients with a “You Got Caught” token. The token enters the staff into a quarterly drawing for a \$25 gift card and certificate. Staff have begun handing out tokens and the first drawing will be in October. Response from affiliates has been very positive.
