- During the month of July, Sedgwick County Developmental Disability Organization (SCDDO) Quality Assurance Staff completed 8 day and 4 residential program visits.
- Jeannette Livingston, SCDDO Deputy Director, presented at the Project SEARCH conference the last week of July. The presentation was on the virtual reverse job fair created for the Sedgwick County Project SEARCH sites. The virtual reverse job fair for Project SEARCH began in 2021. Annually, it runs from April 1 to May 15. This year we had around 30 employers participate in the virtual reverse job fair and three interns achieved employment through the event.
- In July the Kansas Department on Aging and Disability Services (KDADS) began soliciting public comment on a proposed amendment to several Medicaid waivers, including the IDD Waiver. For the IDD Waiver, KDADS is looking to: standardize some performance measures, unbundle assistive services, require a provisional plan of care, authorize residential services for married couples, amend specialized medical care, allow virtual deliver of some services and allow paid family caregivers. Specifics of the changes can be found on the KDADS website at the link below. Feedback on the proposed amendment can be emailed to Anita Flewelling at Anita.Flewingin@ks.gov through the end of August.

- The Sedgwick County Developmental Disability Community Council met July 22. Josephine Alvey with the KanCare Ombudsman's Office presented on and answered questions about Medicaid, the process and program details. Additionally, Nick Wood with InterHab provided a brief overview of the IDD Waiver amendment and public comment process.
