About your license plate:

- Kansas residents who own passenger vehicles or light trucks with gross weight of 20,000 pounds or less may purchase the Driven to Cure license plate.
- Upon receipt of your \$50 gift and this completed registration form, an annual registered certificate will be sent to you.
- The license plate will be issued by your county treasurer upon vehicle registration and payment of regular state license fees. The county treasurer will collect your registered certificate when you apply for or renew your tag.
- No additional costs for production will be assessed beyond your \$50 gift and the regular state license fees and taxes.
- These plates cannot be personalized. Plate numbers are produced consecutively and issued randomly to the county treasurers' offices.
