- During the month of May, Sedgwick County Developmental Disability Organization (SCDDO) Quality Assurance Staff completed 13 day and 21 residential program visits.
- Last year Jessica Christian, SCDDO TCM Coordinator, achieved certification as a LifeCourse Ambassador as part of the Charting the LifeCourse program. In May Jessica obtained several additional badges which are connected to her learning with Charting the LifeCourse. Badges earned include: Charting the LifeCourse in Action Facilitator, Charting the LifeCourse Good Life Group Facilitator, and Charting the LifeCourse Stakeholder Facilitator. In a nutshell, Charting the LifeCourse is a framework to help individuals and families to develop a vision for a good life.
- Shelley Herrington, SCDDO Director of Quality Assurance, graduated from Advance Kansas in May. The Advance Kansas program brings local leaders from across the community together to create and strengthen relationships and address diversity challenges. Participants learn to understand their diversity “blind spots” and develop focused decision-making skills. Shelley committed one weekday per month for six months for Advance Kansas.
- A graduation ceremony for the Derby Project SEARCH Interns was held at the McConnell Air Force Base on May 12th. Five interns graduated and the majority had secured employment through the program.
