Friends University License Plate Program

Show your **Falcon pride** with the official Friends University license plate! Annual fees received from official license plates will benefit Friends University scholarships.

Artist rendering. Actual license plate may differ.

 **ELIGIBILITY** 

All Friends University graduates, students, parents, fans and friends may apply for a license plate if:

- you currently own or lease a vehicle registered in Kansas, and
- your vehicle is a passenger vehicle or truck, or your vehicle has a gross weight of 20,000 pounds or less.

(Motorcycle plates are not available.)

 **FEES** 

Each Friends University license plate costs \$30 annually. This tax-deductible fee is paid to the Friends University Alumni Association in addition to standard vehicle registration fees paid to the Division of Vehicles.

\$30 Annual Fee Distribution

- Annual fees received from those living within a 30-mile radius of Topeka will be applied to the Friends University Topeka PACE Scholarship.
- Annual fees received from those living within a 30-mile radius of Kansas City will help develop the Friends University Kansas City Scholarship.
- Annual fees received from all other Kansas residents will be applied to the Wichita Alumni Advisory Board Endowed Scholarship honoring James Arbertha.

 **ORDERING** 

Return the completed order form and tax-deductible \$30 annual fee to the Friends University Alumni Association. You will be mailed a letter of confirmation of monies received and a Certification Form. The vehicle and owner's name listed on the Certification must appear on the vehicle title and registration. Friends University license plates will not be issued until the Friends

University Alumni Association has received payment for 500 orders. Annual fees will be held in an escrow account until the goal is met.

 **FAQ** 

Can I personalize my Friends University license plate?

No. Plate numbers are produced consecutively and issued randomly. The Division of Vehicles does not allow personalization of educational license plates and does not honor requests for specific plate numbers.

When will I receive my Friends University license plate?

The State of Kansas will issue the official Friends University license plate after the University has collected payment for 500 plates. The Alumni Association will notify you via U.S. mail when plates will be available from your county tag office.

Can I get my Friends University license plate in the mail?

No. You must exchange your current license plate for the Friends University license plate in person at your county tag office. Each plate carries a vehicle identifier, allowing the state to track and identify your vehicle in their system. In addition, you must present the Certification Form for each plate purchased.

Can I renew my Friends University license plate via mail?

Yes. You may renew via U.S. mail or in person at your county tag office. The Alumni Association will send your renewal notice 60 days before your annual renewal date. After receiving your \$30 annual fee, the Alumni Association will send you a Certification Form for each plate that must be mailed with your renewal.

Do I have to wait for my current license plate renewal before I can get my Friends University license plate?

No. You can obtain your plate as soon as the State of Kansas issues it. You will receive more information at that time.

What happens if Friends University does not sell the minimum 500 license plates?

We sincerely hope this doesn't happen! More than 700 individuals have formally told the Alumni Association they are ready to purchase a plate and many others have informally told us. If we do not meet the goal of 500 license plates sold within a reasonable amount of time, Friends University will refund all monies.
