In fulfilling its legislative responsibilities, the Board of Sedgwick County Commissioners considers resolutions which are equivalent to “bills” in the United States Congress and the Kansas Legislature and to ordinances considered by municipal governing councils. A resolution generally originates at the request of a commissioner, another elected official, the County Manager or a department director. Resolutions are drafted by the County Counselor’s Office.

Before voting on a proposed resolution, it is discussed by the Board at the meeting. Any citizen may appear before the Board to speak, up to five minutes, either in favor of or in opposition to the resolution. The Board votes on the resolution following discussion. Adoption of an ORDINARY resolution requires a majority (three or more) “yes” votes from the Board. Resolutions become effective on passage or upon publication, if required.

If there is a state law on a subject that applies to a particular county, but the law does not apply to all counties uniformly, a CHARTER resolution is necessary

to deal with that subject. A charter resolution requires four “yes” votes and is subject to a protest petition. If a protest petition is filed, the matter must go before a vote of the people.
