I. About this Document

This document is a Request for Proposal. It differs from a Request for Bid or Quotation in that the county is seeking a solution, as described on the cover page and in the following Background Information section, not a bid or quotation meeting firm specifications for the lowest price. As such, the lowest price proposed will not guarantee an award recommendation. As defined in Charter Resolution No. 65, Competitive Sealed Proposals will be evaluated based upon criteria formulated around the most important features of the product(s) and/or service(s), of which quality, testing, references, service, availability or capability, may be overriding factors, and price may not be determinative in the issuance of a contract or award. The proposal evaluation criteria should be viewed as standards that measure how well a vendor's approach meets the desired requirements and needs of the County. Criteria that will be used and considered in evaluation for award are set forth in this document. The county will thoroughly review all proposals received. The county will also utilize its best judgment when determining whether to schedule a pre-proposal conference, before proposals are accepted, or meetings with vendors, after receipt of all proposals. A Purchase Order/Contract will be awarded to a qualified vendor submitting the best proposal. **Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service(s) and/or product(s) which best meets its required needs, quality levels and budget constraints.**

The nature of this work is for a public entity and will require the expenditure of public funds and/or use of public facilities, therefore the successful proposer will understand that portions (potentially all) of their proposal may become public record at any time after receipt of proposals. Proposal responses, purchase orders and final contracts are subject to public disclosure after award. All confidential or proprietary information should be clearly denoted in proposal responses and responders should understand this information will be considered prior to release, however no guarantee is made that information will be withheld from public view.

II. Background

Sedgwick County, located in south-central Kansas, is one of the most populous of Kansas' 105 counties with a population estimated at more than 508,000 persons. It is the sixteenth largest in area, with 1,008 square miles, and reportedly has the second highest per capita wealth among Kansas' counties. Organizationally, the county is a Commission/Manager entity, employs nearly 2,800 persons, and hosts or provides a full range of municipal services, e.g. – public safety, public works, criminal justice, recreation, entertainment, cultural, human/social, and education.

Sedgwick County, through the Department of Human Resources, administers employee enrollment in the County's benefits program consisting of Medical/Pharmacy, Flexible Spending, Life, Dental and Vision. The Sedgwick County Division of Human Resources coordinates an annual open enrollment period for County employees. This is usually done in October of each year.

These benefit services are offered by Sedgwick County to the full-time active population of approximately 2,800 total eligible employees, 250 employees classified as "permanent" part-time employees, and all COBRA eligible employees. As of March 2017, there are 2,061 employees, 3,240 spouses and dependent children under age 26, 195 COBRA and Retirees covered under Sedgwick County's current Vision Plan.

Sedgwick County currently offers a voluntary vision benefits plan paid 100% by the employee. The vision plan has a \$10 co-pay in-doctor network amount for eye examination. Glass lenses are included in the co-pay amount and the member can receive either glass lenses or contact lenses once every 12 months. Several "optional" glass lens options are covered under the \$10 co-pay. Contact lenses are covered by the Plan for up to \$150/annually. Frames are covered every 24 months up to \$130/annually. Out-of-network doctors can be used for a reduced benefit. Extra discounts and savings are included but not outlined in this RFP.
