Sedgwick County Appraiser

FACTS & details

about Sedgwick County Government

New Location for Appraiser's Office 4035 E. Harry St., Wichita

When did the Appraiser's Office relocate?

Effective June 1, 2009, the Sedgwick County Appraiser's Office on the 2nd floor of the Sedgwick County Courthouse at 525 N. Main closed due to consolidation of offices.

The relocation of the Appraiser's Office at 434 N. Market took place between the dates of June 1 and June 12, 2009.

Where is the new office located?

The appraiser's new office is located at 4035 E. Harry Street in Wichita. The new building consists of 21,961 square feet and has enabled the office to merge administrative operations and appraisal operations into one facility.

Which appraisal services are available at the new office?

A total of 68 employees relocated to the new location, including employees from the following areas: administration, information & assistance, residential real property, commercial real property, business personal property and appraisal support.

When did the new office open for business?

The first day of business at the new location was Monday, June 15, 2009. Business hours are from 8 a.m. to 5 p.m., Monday through Friday.

Where else can I go to access services?

Two customer service representatives will remain on site in the Sedgwick County Treasurer's Office on the first floor of the Sedgwick County Courthouse to assist citizens with all appraisal-related matters.

Citizens also may visit the Appraiser's Office Customer Convenience Centers at 940 N. Tyler in Wichita and the Derby Tag Office at 212 W. Greenway for assistance.

How does the move benefit citizens?

The selected location for the Appraiser's Office is close to major public transportation routes and offers ample free parking.

The new location provides one main stop for appraisal matters, while still expanding the number of locations citizens may choose to visit.
