ABOUT PROJECT SEARCH

This year-long program helps individuals with developmental disabilities establish and improve job skills in an integrated work environment with the ultimate goal of competitive employment in the community.

Founded at Cincinnati Children’s Hospital Medical Center, this program has been successfully implemented around the world at nearly 450 sites.

WHO: People with developmental disabilities seeking greater independence and a job in the community.

WHAT: Three unpaid internships to explore a variety of career paths.

Collaborative effort between the intern, his or her family, the Project SEARCH instructor and skills trainer, and a vocational rehabilitation counselor.

Integrates classroom time to develop soft skills and provide the opportunity for reflection and planning.

WHERE: Cintas, 9333 E. 35th St. N., Wichita, KS 67226
