DEFINITION:

Agricultural Building is a structure designed & constructed to house farm implements, hay, grain, poultry, livestock, or other horticultural products. This structure shall not be a place of human habitation or a place of employment where agricultural products are processed, treated, or packaged; nor shall it be a place used by the public.

Will this ACCESSORY structure contain any of the following? (check all that apply)

- Electrical
- Mechanical (HVAC)
- Plumbing – If checked, please contact Sedgwick County Code Enforcement and have plans review by Tim Wagner before building permit is issued.
Sewer System OK. _____

Signature

Separate permits will be required for Electrical, Plumbing and HVAC and shall be purchased by a contractor who is licensed with Sedgwick County.

Have construction plans have been approved by Sedgwick County Code Enforcement?
(circle one) Yes No
