FOR IMMEDIATE RELEASE

Construction to Close 63rd Street South

(Sedgwick County, Kansas) – Beginning Monday, May 10, 63rd St. South will be closed to through traffic between Clifton and K-15. This area will be closed through Friday, May 14, 2004.

The closure is due to the installation of a new and widened crossing for the BNSF Railroad immediately west of K-15. The crossing is being widened to conform with the new pavement being constructed in conjunction with the above referenced project.

"We understand that this road closure may cause some inconveniences to citizens," said Sedgwick County Commission Chairman Tom Winters. "We are working hard to make sure that these inconveniences are minimal and that the road is open as soon as possible."
