Sedgwick County to Take Part in Weapons of Mass Destruction Training Exercise

(Sedgwick County, Kansas) -- On Tuesday, August 31, Sedgwick County Emergency Management and the Civil Support Team, Topeka, will conduct a simulated weapons of mass destruction training exercise in a vacant building located at 959 N. Emporia (St. Francis Hospital Campus). The exercise will begin at 8:00 a.m.

During the exercise, streets adjacent to the building may be blocked and smoke from the building may be visible.

"Sedgwick County is prepared in the event of an emergency," said Sedgwick County Commission Chairman Tom Winters. "Training exercises such as this allow our emergency responders to keep their response skills sharp."
