## FOR IMMEDIATE RELEASE

### **REMINDER: Parking Lot Closed at Sedgwick County Tag Office Murdock Location -- Beginning May 1**

(Sedgwick County, Kansas) -- Beginning May 1, the parking lot at the Sedgwick County Tag Office Murdock location, 200 W. Murdock, will be closed for construction. Because of the closure, the Kansas Highway Patrol will move all vehicle inspections to other pay stations (see below for schedule).

Construction will consist of repairing the drainage system and repaving the parking lot and is expected to be completed by June 1, weather permitting. The Murdock Tag Office will remain open and parking is available in the Sedgwick County public parking garage, just north of the Sedgwick County Courthouse.

"I realize this may cause an inconvenience during this time, but the parking lot needs to be fixed due to safety concerns," said Sedgwick County Treasurer Ron Estes.

During construction, vehicle inspections through the Kansas Highway Patrol will be available with additional staff at the following Tag Office locations and days from 8:30 a.m. to 3:30 p.m.:

- Brittany Center, 2120 N. Woodlawn, Suite 370 – Tues./Wed./Thurs.
- Chadsworth, 2330 N. Maize Rd, Suite 1100 – Mon./Tues./Thurs./Fri.
- Derby, 206 W. Greenway, Suite 14 – Mon./Wed./Fri.
