Household Hazardous Waste Department Raytheon Remote Collection a Success

(Sedgwick County, Kansas) - The Sedgwick County Household Hazardous Waste (HHW) Facility conducted a remote location collection on Saturday, June 3 at Raytheon. During the four-hour collection, the HHW Facility served 275 residents and received the following amounts of materials:

Estimated Total Weight: 38,834 lbs.

Flammable	6,355
Latex Paint	9,292
Poison	928
Antifreeze	784
Car Batteries	3,569
Other Hazardous	1,206
Used Oil (900 Gal.)	7,200
Solid Waste	6,500

“We are very proud of the success this HHW remote collection,” said Sedgwick County Commission Chairman Ben Sciortino. “It is wonderful that citizens took advantage of this service to help us keep hazardous materials out of our waste stream!”
