FOR IMMEDIATE RELEASE

Sedgwick County Health Department Reports
Two New Cases of Probable Mumps

(Sedgwick County, Kansas) – The Sedgwick County Health Department is reporting two additional probable cases of mumps today. The two new probable cases of mumps include (2) eighteen year olds.

As of today, there are a total of twelve probable cases of mumps in Sedgwick County.

The Sedgwick County Health Department reminds everyone to practice good hand washing, avoid sharing of drinking cups and eating utensils, and avoid close contact with anyone who has the mumps.

The MMR vaccine is currently available at the Clinical Services location at 2716 W. Central, and an administrative fee is being charged for the MMR vaccine. The administrative fee ranges from \$2.00 to \$14.80. The Clinical Services hours are: 8:00 a.m. – 6:00 p.m., Monday, Tuesday, Wednesday and Friday, and 12:00 – 6:00 p.m. on Thursday. For more information on the MMR vaccine, contact the Sedgwick County Health Department at 660-7300.

MEDIA NOTE: As additional mumps cases (which include probable and confirmed) arise, Sedgwick County will provide daily updates by 3:00 p.m. via a news release until further notice.
