FOR IMMEDIATE RELEASE

Promotions and Achievements at Sedgwick County Fire District #1

Lt. Tavis Leake has been promoted to Captain.

Fire Chief Gary Curmode and Battalion Chief Carl Cox have successfully completed the process that awards them the professional designation of "Chief Fire Officer" (CFO). The Commission on Professional Credentialing met on May 2, 2007 to officially confer their re-designation, making them two of only 511 CFOs worldwide. The Chief Fire Officer Designation program is a voluntary program designed to recognize individuals who demonstrate their excellence in seven measured components including: experience, education, professional development, professional contributions, association membership, community involvement, and technical competencies.

Chief Curmode has been a member of the Sedgwick County Fire District for 12 ½ years. Chief Cox has been a member of the Fire District for 20 years.
