FOR IMMEDIATE RELEASE

CHRISTMAS TREE RECYCLING

(Sedgwick County, Kansas) – When the gifts are unwrapped and your Christmas tree has served its annual duty, what is left to do? Turn it into mulch!

Residents of Sedgwick County can bring their Christmas trees—minus the decorations—to any number of locations throughout Sedgwick County from December 22 through January 23. There is no cost to residents for the service.

The trees will be chipped into mulch and residents of Sedgwick County are welcome to take the mulch home at no charge. After the sites close, the remaining mulch will be taken to the Sedgwick County Extension Center at 21st and Ridge Road. The mulch will be available for pick up on a first-come, first-served basis until it is gone.

“We provide this service to the residents of Sedgwick County as a way to reduce the number of trees that end up in landfills,” said Sedgwick County Commission Chairman Tom Winters. “This service also allows residents to reuse a needed and natural product.”
