INTRUST Bank Arena Club Seats Available

Wichita, KS (June 22, 2009) – INTRUST Bank Arena announced today that Club Seats at the new Arena are now available for lease. Club Seats represent the most economical level of premium seating in the Arena and provide many great amenities. Each seat is located in the lower seating bowl and includes Wichita Thunder season tickets, in-seat food and beverage service, larger seats, additional leg room and the first opportunity to purchase all event tickets.

The 192 Club Seats are the latest level of premium seating to be introduced at INTRUST Bank Arena, following the introduction of Luxury Suites in April of 2008 and most recently Loge Boxes in February 2009. To date 13 of the 20 Luxury Suites have been leased along with 32 of the 40 Loge Boxes.

MEDIA NOTE: Club seats and visuals of the Arena bowl depicting the location of Club Seats are available at the Luxury Suite & Premium Seating Sales Office. Please contact the Premium Seating sales staff for a media appointment at 264-8080.
