FOR IMMEDIATE RELEASE

Burn Ban Lifted

Beginning at 5:30 a.m. on March 13, 2007, the burn ban for Sedgwick County has been lifted, but remains in effect for the City of Wichita. The lift could be short lived if weather conditions return to dry, windy conditions, but for the next few days the weather appears to be better for controlled burning.

The Sedgwick County Fire Department urges all residents to continue to exercise caution when cutting or welding, discarding cigarettes, cooking outdoors, and when performing controlled burns.
