## **Programs and Functions**

In June 1987, the Board of County Commissioners and the Wichita City Council approved an inter-local agreement in which the City agreed to stop levying its 1.5 mill property tax levy and the County would create a county-wide levy for Wichita State University (WSU). The County Commission subsequently passed a resolution establishing the 1.5 mill levy county-wide.

The total revenue received from the levy is distributed into five budget categories, all of which will be discussed. Capital Improvements comprise 32.9 percent of the budget and are primarily used to pay the debt service for the campus facilities and for the National Center for Aviation Training.

Student Support makes up approximately 56.7 percent of the budgeted expenditures and serves as the University's primary source of support for scholarships and assistantships for city and county residents. These funds make it possible for many individuals to attend Wichita State University who might otherwise find it financially difficult or impossible.

Comprising approximately 5.5 percent of the budget is Economic and Community Development. These funds allow the university to continue expanding its involvement in the community's economic development through education and training.

The Organization and Development category makes up less than 1.0 percent of total expenditures and provides funding for the operations and oversight of the mill levy fund by the Board of Trustees and managing the facilities owned by the Board of Trustees.

A final category is the Contingency, which comprises 4.1 percent of budgeted expenditures. Sedgwick County requires a contingency of \$300,000 in case property tax payment delinquencies are lower than projected.
