

County Treasurer

Program Information

Board of County Commissioners

The Sedgwick County Treasurer is an elected official whose authority, duties and responsibilities are described in Chapter 19, Article 5; Chapter 8; and Chapter 79 of the Kansas Statutes. The County Treasurer's primary function is to collect real estate, personal property, motor vehicle taxes. special assessments and other Sedgwick County miscellaneous taxes for cities. districts, other townships, school and taxing jurisdictions. Upon collection of the revenues, the County Treasurer apportions and distributes such revenues to local taxing authorities. In addition, the County Treasurer's Office acts as a bank, accepting revenue generating County deposits from all departments and entering them into the accounting system before forwarding the money to the County's bank accounts.

In addition to tax administration and tax collections, the County Treasurer also supervises the Tag Offices, which collect motor vehicle taxes and license fees on behalf of the State of Kansas and distributes license tags and yearly validation stickers to all vehicle owners in Sedgwick County. The Tag Offices also provide handicapped parking placards and tags for individuals who may not drive or own vehicles. Fees generated from vehicle registrations make the Tag Offices financially self-supporting. Additionally, operations in the Tag Office are kept separate from other County Treasurer services and financed through a separate fund.

In order to assist in accomplishing its mission and goals, the County Treasurer's Office has developed partnerships with the following organizations:

• State of Kansas

1.2%

- City governments in Sedgwick County
- Townships
- School Districts
- Other taxing jurisdictions

The County Treasurer's Office also has a working relationship with offices and departments throughout the County organization. Since this Office has some type of contact with every citizen in Sedgwick County who own real property, personal property, or operates a motor vehicle, these partnerships aid in ensuring the delivery of quality public services.

Departmental Sustainability Initiatives

The County Treasurer's role in contributing to the economic sustainability in the community is through the collection of taxes. The Tag Offices collect over \$50 million in vehicle property tax and over \$10 million in sales tax which helps pay for governmental infrastructure and public school operations. Real property taxes collected by the County Treasurer's Office also help pay for local infrastructure and services provided to the citizens of Sedgwick County.

In the area of social equity, the County Treasurer's Office has taken many steps to ensure services and

assistance are delivered in a fair and equitable manner. One way is by working closely with governmental units, other businesses. and charitable groups to assist them with vehicle registrations, answering questions, and resolving any issues they may encounter. Additionally, the County Treasurer's Office trains staff to deliver friendly, efficient customer service to all citizens regardless of ability and income levels. Also, the Tag Offices are currently being remodeled to ensure compliance with the Americans with Disabilities Act (ADA) for the elderly and disabled.

In order to improve the efficiency and effectiveness of daily operations, the County Treasurer has implemented strategies to enhance the

Office's financial and institutional viability. In the Tag Offices, all registration clerical staff are cross-trained to process any type of registration, which in turn, makes the registration process more efficient for customers. Also, the Tag Office administration moves employees between tag offices in order to respond to changes in registration volumes throughout the year.

Department Accomplishments

The Tag Offices are currently in the process of streamlining their vehicle refund check processing to

ensure checks are issued to citizens in a timely manner. Steps have also been taken to automate the antique vehicle collection process, which is increasing tax collections for the Tag Offices. The Tax Office is in the process of the development and implementation of a new Tax Administration System, which will go live in 2010.

With an emphasis on customer service, the Treasurer's Office has increased the amount of information accessible and available online. Payment of taxes by credit card continues to increase and currently, payments may be made using credit card, debit card, and e-check.

The Treasurer's Office is also in the beginning stages of

The County Treasurer continues to update the Tag Office's website so the public can readily access vehicle registration information online. The Office also promotes of the Kansas the use Department of Revenue's Internet renewal process and mail-in renewals in an effort to reduce walk-in traffic. These are the most cost-effective methods of vehicle registration and allow Treasurer's staff to devote more time to work on new vehicle registrations.

Budget Adjustments

Changes to the Treasurer's 2010 budget reflect an increase in benefits costs and a 2.0 percent general pay adjustment for employees earning less than \$75,000. No increases were provided for contractuals, commodities, and capital equipment from the 2009 Adopted budget for property tax supported funds.

The Treasurer's main challenge is the need for a larger Main Tag Office location. Having outgrown the current location, a larger facility is being sought. Priorities include more parking and a larger area for customers, personnel, and the Highway Patrol Inspection Office.
