On the recommendation of Jerry Phipps, on behalf of Emergency Management, Don Brace moved to **accept the low bid meeting specifications from Ohio Lumex Co. for \$12,290.00.** David Spears seconded the motion. The motion passed unanimously.

Note: The request for bid asked for a certain measuring range to detect mercury in the air and Lumex was the only brand that met that range.

This equipment will be used by the Hazmat team, which consists of Wichita Firefighters, Sedgwick County Fire Fighters and Health Department staff.
