The recommendation of Purchasing and Fleet Management is to **accept the low bid from Poorman's Auto Supply, and to execute a one (1) year contract with two (2) one (1) year options to renew.**

Note: The bid from H W Auto Supply was for an alternate brand and although some of the individual items on their bid are lower, the historical usage shows that the bid from Poorman's would be significantly less overall.

The County spends approximately \$15,000.00 per year on automotive filters.
