The recommendation of Fleet and Purchasing is to **accept the bid from Rusty Eck Ford in the amount of \$18,847.00.**

This vehicle has to be ordered by 10/30/08 in order to receive by the end of the year. The Ford plant responsible for building these trucks is closing for 7 weeks to retool for two new vehicle builds and will not be taking orders during this time. Chevrolet/GMC dealerships did not respond due to time constraints in production for these vehicles.

This is a replacement vehicle for Facilities Department. Surplus will be sold on Govdeals.com
