On the recommendation of Dallas Shaffer, on behalf of Juvenile Detention Facility Department, Ron Estes moved to **accept the low complete bid meeting specifications from Maximum Tractor in the amount of \$11,729.75.** Anne Smarsh seconded the motion. The motion passed unanimously.

Note: The two bids for the Grasshopper brand did not meet the specifications of the bid. Jim's Tire and Auto was contacted about the foamed filled tires but wasn't interested in getting a price for it. This is dual purpose equipment that will be used for mowing and snow removal.
