**ADDENDUM #1
RFB 03-12989
ASBESTOS ABATEMENT & REMOVAL
SEDGWICK COUNTY COURTHOUSE**

November 7, 2003

Dear Vendor,

Please replace page 9 of the above referenced RFB with the attached page. The RFB should have listed that these sections of Area "C" have mudded fittings **and debris**.

Please acknowledge receipt of this addendum on your response form.

Thank you,

Carol Bevelhymer, C.P.M.

Area “C”

All areas are located immediately south of the entrance in the men’s public restroom directly east of “Area B”. These areas can be accessed through a wall hatch inside the utility closet with the exception of “C-2”, noted below. These areas have mudded fittings **and debris**.

C-1	Is not included in this project.
C-2	Access north of the women’s restroom. Work is limited to the pipe chase section located along the west and north side of the women’s restroom. Cleaning of the ceiling above the women’s restroom shall be limited to HEPA vacuuming the top side of the ceiling. Care should be taken not to change or disturb settings on the control panel located in the pipe chase. Area contains ten (10) mudded fittings and debris
C-3	Contains fifteen (15) mudded fittings and debris
C-4	Contains twelve (12) mudded fittings and debris
C-5	Contains eight (8) mudded fittings and debris .
C-6	Contains sixteen (16) mudded fittings and debris .
C-7	Contains thirteen (13) mudded fittings and debris .
C-8	Contains thirteen (13) mudded fittings and debris .
C-9	Contains thirteen (13) mudded fittings and debris .
C-10	Contains eighteen (18) mudded fittings and debris .
C-11	Contains fourteen (14) mudded fittings and debris .

Area “D”

Area “D”, located on the 3rd floor, is in a mechanical room northwest of the freight elevator. Accessibility is through a door into the equipment room.

D-3	Contains seventeen (17) mudded fittings.
------------	--

WORK SCHEDULE:

1. Contractor must coordinate the work schedule with Sedgwick County a minimum of 2-weeks in advance. It is anticipated that all work will be performed during the week after 6:00 PM, or on weekends and holidays. All areas must be suitable for occupancy of the adjoining areas during all regular working days from 6:00 AM to 6:00 PM. Vendor must closely coordinate with Paul Drouhard the scheduling of work.
2. Prior to starting work, each of the Contractor’s employees will be required to pass a background check for security purposes.
3. Project must be completed and project manual delivered no later than December 20, 2003.
4. The following individual will be the contact for the County, Paul Drouhard, Building Services Manager, Sedgwick County Courthouse, Suite 135, 525 N. Main, Wichita, KS 67203, or e-mail at pdrouhar@sedgwick.gov.
