3. In section 3 Selection Criteria, sub statement 6 you ask about a "buy back program". I would like a little clarification as to your interpretation of that request. Are you looking for a vendor to Buy Back the empties? *Yes, we know some of the empty cartridges have value; we want to know how we will be compensated for them. What is your buy back program?*

4. Your request asks for a list of all remanufactured cartridge(s) available. There are quite a number of cartridges that we can remanufacture. Do you have a list of the cartridges or printers that the county uses? *Below is a list of the current cartridges on contract, however, you should not limit your response to those if you have others available.*
