AUTOMOTIVE FILTERS
ADDENDUM #2**

November 3, 2006

The contract period for these products has been changed to a one-year contract with four additional one-year options to renew. The contract pricing for these products will be firm for the first year of the contract. After the first year, the Purchasing Department and Fleet Management may review a fully documented request for a price increase. A price increase adjustment shall only be considered at the time of a contract renewal and shall be a factor in the renewal review process. The County shall determine whether the requested price increase or an alternate option is in the best interest of the County.

You must acknowledge receipt of this addendum on your response form.
