**Request for Bid
#06-0153**

**DVR EQUIPMENT AND INSTALLATION FOR JUVENILE RESIDENTIAL FACILITY
ADDENDUM #1**

November 15, 2006

The following questions were received regarding this Request for Proposal. Questions are **bolded** and answers are *italicized*.

1. Will black and white cameras be used?

18 Color cameras will be installed as per the specifications. The old black and white cameras should be removed and delivered to Shawn Dowd or Beth Hopper.

2. Will an alternative DVX be acceptable?

Yes, it must equal or exceed the specifications of the Integral system. Alternative must be compatible with the system. Please provide detail information and description of the proposed alternative.

3. Is new cable runs required?

There are a couple of new cameras that will require new runs.

4. Is there IP cameras going into this location?

No.

5. Is it possible to get floor plans?

Yes, floor plans are attached. Power supply and cameras have been identified. .

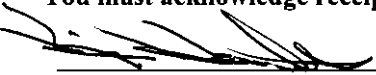

6. Are monitors needed?

No, they will be looked at through the network.

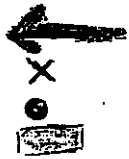

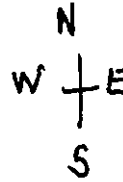

CLARIFICATION

The existing ALTV248 CC TV Camera and Power supply is located directly above the monitor. Vendor will need to supply an additional power supply with 10 power ports.

You must acknowledge receipt of this addendum on your response form.
