Review of 4/30/2009 Minutes- No Changes

### **Status Updates**

#### **Bill Farney**

- Nothing New

#### **Irene Hart**

- Nothing New

#### **Charlene Stevens**

- 10 hybrids- \$55,000
- Also, hire a staff person to do sustainability for the county with the remaining block grant money
- Total energy block grant is \$485,000
- \$200,000 for staff
- \$230,000 for energy retrofits, etc.

#### **Irene Hart**

- NSP II is out. It is a competitive application through HUD.
- The Process is extensive and may be designed for national organizations.
- Applications are due in late June.
- Some of this process cannot be done in house

#### **Jim Weber**

- Last Thursday did the field check with KDOC which went well
- Changing from overlay to inlay

#### **Charlene Stevens**

- Not going to pursue diesel emission reduction because of the cost of replacement
- Telecom can be taken off the list
- Going to talk to Chad about education, funding will probably go to partners so it may need to be taken off the list
